A ground-breaking look at the sexual revolution that is beginning to sweep through urban India. The National Bestseller India in Love: Marriage and Sexuality in the 21st Century is a ground-breaking look at the sexual revolution that is starting to sweep through urban India. Bestselling author Ira Trivedi travelled from Shilling in the northeast to Chennai in the south, Konark in the east to Mumbai in the west and over a dozen other cities and towns in order to gain unprecedented insights into changing sexual habits, marriage and love everywhere in the country. The book explores the mating habits of young Indians on college campuses and in offices, examines the new face of Indian pornography and prostitution, probes India's gay revolution and delves into history, economics and sociology to try and understand how the nation that gave the world the Kamasutra could have become a closed, repressed society with a shockingly high incidence of rape and violence against women the dark underside to the greater sexual freedom that men and women in our cities have begun to enjoy today. Trivedi goes deep into one of the most enduring institutions of Indian society marriage and investigates how it is faring in modern times. She interviews marriage brokers, astrologers, lawyers, relationship counsellors, 'love commandos', parents and nervous young brides and grooms, amongst others, to present a nuanced picture of the state of marriage in the country. She discovers that love marriages are skyrocketing and even the age-old arranged marriage is undergoing a transformation. Also on the rise are divorces, extra-marital affairs, open marriages, live-in-relationships and the like. Supporting her eye-opening reportage with hundreds of interviews, detailed research, authoritative published surveys and discussions with experts on various aspects of sexuality and marriage, Trivedi has written a book that is often startling, sometimes controversial, but is always entertaining and original.

Strictly as per the new term wise syllabus for Board Examinations to be held in the academic session 2021-22 for class 10 Multiple Choice Questions based on new typologies introduced by the board- I. Stand- Alone MCQs, II. MCQs based on Assertion-Reason III. Case-based MCQs. Include Questions from CBSE official Question Bank released in April 2021 Answer key with Explanations

Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An alumnus of Bombay's The J. B. Petit Girls' High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio's Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer Dil Deke Dekho. Instantaneously, the audience and the critics agreed: "A star is born." Followed a concatenation of silver and golden jubilee hits, which established her as the quintessential Hit Girl. Possessed of all the requisites of the cinema of the 1960s and the '70s - felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines - she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes' Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV serials iike 'Kora Kagaz' and 'Palash ke Phool' and programmes like 'Baaje Paayal'. Currently she has chosen to retire from acting, but adds, "Never say never." She lives by the famed Juhu shoreline in Mumbai.

This book is a result of many years' research carried out with the purpose of evolving a logico-mathematical framework for symbolic computing. It gives a first time exposure to certain ideas and concepts related to non-numerical signal and image processing and provides certain latest technologies that may serve as a repertoire of tools that are of significant use in formulating DNA computing paradigms.

"...unmatched in its meticulous and careful research into the wellsprings of a truly unique relationship between two neighbouring states." SHYAM SARAN "Ranjit Rae"s portrayal of India-Nepal relations from the Indian perspective is meticulous, nuanced and insightful." S.D. MUNI "Ranjit Rae breaks down the paradox of India"s very intimate yet troubled relationship with Nepal." C. RAJA MOHAN The first two decades of the new millennium have witnessed a dramatic socio-political transformation of Nepal. A violent Maoist insurgency ended peacefully, a new constitution abolished the monarchy and established a secular federal democratic republic. Nevertheless, political stability and a peace dividend have both remained elusive. Nepal is also buffeted by changing geopolitics, including the US-China contestation for influence and the uneasy relationship between India and China. As a close neighbour, India has been deeply associated with the seminal changes in Nepal, and the bilateral relationship has seen many twists and turns. Partly a memoir, this book examines India"s perspective on these developments, in the context of the civilizational and economic underpinnings of the India-Nepal relationship, as well as issues that continue to prevent this relationship from exploiting its full potential. Though there are several Nepalese accounts that deal with this subject, there are few from an Indian point of view. Kathmandu Dilemma fills this gap.

Details the romantic intrigues in the family of a country vicar in eighteenth century England.
