Located in the business centre of the picturesque Manning Valley between the mountains and the sea, the Ray White Manning Valley ... River which once saw steam boats plying their trade of timber ...

This publication provides an overview of the importing process and contains general information about import requirements. This edition contains much new and revised material brought about because of changes in the law, particularly the Customs Modernization Act. The Customs modernization provisions has fundamentally altered the process by shifting to the importer the legal responsibility for declaring the value, classification, and rate of duty applicable to entered merchandise. Chapters cover entry of goods, informed compliance, invoices, assessment of duty, classification and value, marking, special requirements for alcoholic beverages, motor vehicles and boats, import quotas, fraud, and foreign trade zones. In addition to the material provided by the U. S. Customs Service, the private commercial publisher of this book has provided a bonus chapter on how to build a tax-free import-export business.

Provides lists of selling prices of items found on eBay in such categories as antiques, boats, books, cameras, coins, collectibles, dolls, DVDs, real estate, stamps, tickets, and video games.

Franchise Desk Book is your primary reference to the text of generally applicable franchise registration, disclosure and relationship statutes and accompanying regulations. You'll benefit from the expert commentary on franchise statutes and cases that provide you with a look behind the scenes with respect to the covered state's laws. In addition, this manual includes annotations of reported and unreported cases that are arranged and keyed to topics that franchise lawyers need and can understand, such as franchise fees, exemptions from registration and more. The unique annotation system that is designed specially for franchise lawyers will allow you to put your finger on cases that focus upon the issues that matter most.

Includes information on the following topics: Do's and don'ts when buying a boat ; Two little known tools surveyors use to determine a boat's age and condition ; Three surprising reasons why marinas require the insurance they do ; How you can still get a boat loan even if your credit score is less than 720 ; How a commercial emergency signaling technology has saved more than 25,000 lives since 1982 and is now available for pleasure boaters ; What to do when you get caught in a bad storm or heavy weather ; Why customizing your electrical and instrument panels makes sense ; How Digital Selective Calling and the Automated Identification System saves lives in a Search and Rescue operation ; The advantages and disadvantages of having a multihull craft over a monohull ; Three powerful strategies you can use to best prepare your boat for rentals ; What's changed to take sailing from an amateur sport to top of the game earning a decent living--publisher.
