"We cannot change the cards we are dealt, just how we play the hand."---Randy Pausch A lot of professors give talks titled "The Last Lecture." Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave--"Really Achieving Your Childhood Dreams"--wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because "time is all you have...and you may find one day that you have less than you think"). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

A thorough, insider's guide to book collecting explains how to find used and rare books, offering tips on buying and selling books on the Internet, identifying first editions and reader's copies, finding valuable books, and more, and provides a detailed index of more than one thousand of the most collectible books today. Original.

In this wickedly funny cultural critique, the author of the critically acclaimed memoir and Hulu series Shrill exposes misogyny in the #MeToo era. This is a witch hunt. We're witches, and we're hunting you. From the moment powerful men started falling to the #MeToo movement, the lamentations began: this is feminism gone too far, this is injustice, this is a witch hunt. In *The Witches Are Coming*, firebrand author of the New York Times bestselling memoir and now critically acclaimed Hulu TV series *Shrill*, Lindy West, turns that refrain on its head. You think this is a witch hunt? Fine. You've got one. In a laugh-out-loud, incisive cultural critique, West extolls the world-changing magic of truth, urging readers to reckon with dark lies in the heart of the American mythos, and unpacking the complicated, and sometimes tragic, politics of not being a white man in the twenty-first century. She tracks the misogyny and propaganda hidden (or not so hidden) in the media she and her peers devoured growing up, a buffet of distortions, delusions, prejudice, and outright bullsh*t that has allowed white male mediocrity to maintain a death grip on American culture and politics-and that delivered us to this precarious, disorienting moment in history. West writes, "We were just a hair's breadth from electing America's first female president to succeed America's first black president. We weren't done, but we were doing it. And then, true to form—like the Balrog's whip catching Gandalf by his little gray bootie, like the husband in a Lifetime movie hissing, 'If I can't have you, no one can!'—white American voters shoved an incompetent, racist con man into the White House." We cannot understand how we got here,—how the land of the free became Trump's America—without examining the chasm between who we are and who we think we are, without fact-checking the stories we tell ourselves about ourselves and each other. The truth can transform us; there is witchcraft in it. Lindy West turns on the light.

That the Beatles were an unprecedented phenomenon is a given. In *Can't Buy Me Love*, Jonathan Gould explains why, placing the Fab Four in the broad and tumultuous panorama of their time and place, rooting their story in the social context that girded both their rise and their demise. Nearly twenty years in the making, *Can't Buy Me Love* is a masterful work of group biography, cultural history, and musical criticism. Beginning with their adolescence in Liverpool, Gould describes the seminal influences—from Elvis Presley and Chuck Berry to The Goon Show and Alice's Adventures in Wonderland—that shaped the Beatles both as individuals and as a group. In addition to chronicling their growth as singers, songwriters, and instrumentalists, he highlights the advances in recording technology that made their sound both possible and unique, as well as the developments in television and radio that lent an explosive force to their popular success. With a musician's ear, Gould sensitively evokes the timeless appeal of the Lennon-McCartney collaboration and their emergence as one of the most creative and significant songwriting teams in history. Behind the scenes Gould explores the pivotal roles played by manager Brian Epstein and producer George Martin, credits the influence on the Beatles' music of contemporaries like Bob Dylan, Brian Wilson, and Ravi Shankar, and traces the gradual escalation of the fractious internal rivalries that led to the group's breakup after their final masterpiece, *Abbey Road*. Most significantly, by chronicling their revolutionary impact on popular culture during the 1960s, *Can't Buy Me Love* illuminates the Beatles as a charismatic phenomenon of international proportions, whose anarchic energy and unexpected import was derived from the historic shifts in fortune that transformed the relationship between Britain and America in the decades after World War II. From the Beats in America and the Angry Young Men in England to the shadow of the Profumo Affair and JFK's assassination, Gould captures the pulse of a time that made the Beatles possible—and even necessary. As seen through the prism of the Beatles and their music, an entire generation's experience comes astonishingly to life. Beautifully written, consistently insightful, and utterly original, *Can't Buy Me Love* is a landmark work about the Beatles, Britain, and America.

The end of one thing is just the beginning of something new in this innovative picture book--and in life Starting a book at the end may seem confusing. But prepare to have your mind blown, because the end isn't really the end--it's just the beginning of something new We all face difficult endings--it's an inescapable fact of life. Now Mike Bender offers a comforting and inspiring message about new beginnings. Accompanied by Diana Mayo's beautiful and gentle illustrations, this story is perfect for read-alouds and graduations and will make a wonderful gift for all ages.

A stunning collection of essays and memoir from twice Booker Prize winner and international bestseller Hilary Mantel, author of *The Mirror and the Light*
