Most people look forward to retiring, but too often they have no idea how to plan for a financially secure future. There are numerous factors to consider, including income, investments, estate planning, and taxes. Where do you even begin? Bradley R. White, a Certified Financial Planner and Investment Advisor Representative, has broken down and simplified the process to help you get started. Choosing a monthly income goal and determining the best age to stop working are two decisions unique to every individual. From there, however, building a road map to retirement is fairly straightforward. In short, easy-to-follow chapters, Bradley White walks you through the process of maximizing income sources, developing strategies for investment, assessing legacy goals, and properly navigating the tax code. In addition to creating a retirement plan, you'll learn how to protect it. Bradley White clearly explains various issues-health, long-term care, and estate planning-that may affect your finances in retirement. By the end of the process described in the book, you'll have an overall picture of your future. You only get one chance at retirement. Using this concise and informative guide, you can make sure you're on track to retire right.

Introduces informative guidelines on how to plan ahead for a financially secure and comfortable retirement, addressing such concerns as health care, Social Security benefits, post retirement income, lifestyle, and more. Original.

I've provided this comprehensive retirement benefits guide for over 20 years and have answered thousands of questions from subscribers. I firmly believe there is no better guide out there for Special-Category Employees (SCEs) such as Law Enforcement Officers (LEOs), Firefighters (FF), Customs and Border Protection Officers (CPBOs), Border Patrol Agents (BPA), Air Traffic Controllers (ATCs) and other SCEs, and I take great pride in being able to make that statement. This guide has always been a labor of love for me, something that I passionately enjoy and believe in.

Use the New Tax Law to Retire on Your Terms Are you planning your retirement with the Economic Growth and Tax Relief Reconciliation Act of 2001 in mind? If not, you could be missing out on important changes that could help you build a larger nest egg or even retire early. Drawing on the experience of the nation's premier tax and financial planners, Ernst & Young's Retirement Planning Guide, Special Tax Edition shows you how to use the new tax law to plan for a secure future-whether you're just getting started or on the verge of retirement. This practical guide highlights key financial and personal issues you need to consider during your pre-retirement and retirement years, including essential information on how the new tax law will affect your retirement. From guidance on portfolio diversification and Social Security to the new tax rules that will impact IRAs and 401(k) plans, Ernst & Young's Retirement Planning Guide, Special Tax Edition provides the insight and assistance you need to take advantage of the new tax law and plan for a financially secure future. * The effect the new tax law will have on your retirement plan-from pension withdrawals to IRA limits and new tax-deferred plans * The latest financial instruments for retirement savings * Worksheets, tips, and action items, as well as additional resources, including Web sites * Strategies to overcome adverse financial events * Wealth-building techniques to help you retire early * Practical ideas and easy-to-understand charts and tables

When it comes to retirement investing, too much emphasis today is on investment returns, which often come at the expense of income dependability and peace of mind. Slash Your Retirement Risk redefines how to invest for retirement to maximize your reliable income and stabilize your financial future. Rather than the typical approach to portfolio management—focusing on returns and ignoring dramatic market downswings that can decimate portfolios—author Chris Cook shows investors how to create income reliability without sacrificing reasonable growth. Instead of chasing uncertain returns, Slash Your Retirement Risk's strategy will help ensure your retirement portfolio will capitalize on opportunities for growth while weathering the inevitable economic ups and downs. You will achieve reliable returns and suffer fewer sleepless nights worrying about whether your money will last as long as you do. Slash Your Retirement Risk is your step-by-step guide to create a retirement portfolio that will provide true financial peace of mind, one that features: The broad diversification essential in today's globally interconnected marketplace. A built-in ability to capitalize on market upswings to generate growth. Automatic protections against inevitable market downswings. An investing strategy that minimizes fees and costs to maximize portfolio gains.

From one of America ' s most trusted financial advisors: a guide to making the most of your retirement plans and assuring long-term financial security. Everyone knows that investing in your retirement is important. Yet only half of all eligible Americans contribute to a retirement plan. That ' s because 401(k)s, 403(b)s, 457s, and IRA plans are complicated, confusing, and costly. New York Times bestselling author and acclaimed financial advisor Ric Edelman has counseled thousands of savers and retirees, and has accumulated his advice in this book. Edelman has created a step-by-step guide. With illuminating examples and simple explanations, he shares everything you need to know as a plan participant: how much you need to retire comfortably, how to make wise choices among your investment options, and how to maximize the benefits of your 401(k). Along the way, he debunks the myths and clears up the confusion.
