This book and CD package is similar in design to other books in the Paso a Paso Series for Health Care Professionals. This package is specifically for mental health workers attempting to break through language and cultural barriers between English- and Spanish-speaking participants. The suggested application is a small group setting in the workplace in which a fluent Spanish speaker serves as a facilitator at one hour sessions held once a week. The learner is expected to work daily on exercises and practice listening and

responding to the CD. The premise is that the beginning learner will not be alone in a situation where a conversation is beyond their ability; the novice speaker will be part of a team and will acquire greater competency through active, on-the-job speaking and listening. All too often non-English-speaking newcomers are isolated, separated from the family support systems they once enjoyed in their native countries. They are overwhelmed and don't realize assistance is available to address the depression, anger, and frustration they are feeling. This handbook and CD set will help mental health and social workers reach across the language barriers to help their clients.

The Caminos Spanish course places emphasis on cultural awareness of Spain and Spanish-speaking countries, providing pupils with an

informed insight into the lives and concerns of their peers overseas. The communicative approach of the series means that pupils are encouraged from the start to express themselves, their feelings and opinions in the target language, acquiring all the language skills they need for effective communication.

This new series uses a simple approach to help kids master the basics of the Spanish language including sentence structure, vocabulary, pronunciation, and verbs. Common items such as food, time, greetings, and places introduce students to beginning sentence structure. Each 80-page book is packed with activities that will teach sight reading and translation skills. Activities include picture labeling, writing practice, matching exercises, and fill-in-the-blanks.
