"I've set up my corporation. Now what do I do?" All too often business owners and real estate investors are asking this question. They have formed their protective entity – be it a corporation, LLC or LP – and don't know what to do next. "Run Your Own Corporation" provides the solution to this very common dilemma. Breaking down the requirements chronologically (ie the first day, first quarter, first year) the book sets forth all the tax and corporate and legal matters new business owners must comply with. Written by Rich Dad's Advisor Garrett Sutton, Esq., who also authored the companion edition "Start Your Own Corporation", the book clearly identifies what must be done to properly maintain and operate your corporation entity. From the first day, when employer identification numbers must be obtained in order to open up a bank account, to the fifth year when trademark renewals must be filed, and all the requirements in between, "Run Your Own Corporation" is a unique resource that all business owners and investors must have. Rich Dad/Poor Dad author Robert Kiyosaki states, "Run Your Own Corporation is the missing link for most entrepreneurs. They've set up their entity, but don't know the next steps. Garrett Sutton's book provides valuable information needed at the crucial start up phase of operations. It is highly recommended reading." When "Start Your Own Corporation" is combined with "Run Your Own Corporation" readers have a two book set that offers the complete corporate picture.

To win in business requires a winning business plan. To write a winning business plan requires reading Garrett Sutton's dynamic book on the topic. Writing Winning Business Plans provides the insights and the direction on how to do it well and do it right. Rich Dad/Poor Dad author Robert Kiyosaki says, "The first step in business is a great business plan. It must be a page turner that hooks and holds a potential investor. Garrett Sutton's Writing Winning Business Plans is THE book for key strategies on preparing winning plans for both business and real estate ventures. Crisply written and featuring real life illustrative stories, Writing Winning Business Plans discusses all the key elements for a successful plan. Topics include focusing your business vision, understanding your financials and analyzing your competition. Also covered are how to really use your business plan as a tool and how to attract funding for your new or existing businesses. As business plan competitions become more popular around the world Writing Winning Business Plans also discusses how to enter and how to win these ever more lucrative contests. In addition, how to quickly interest a potential investor, also known as the elevator pitch, is explained. And, as opportunities arise around the world, how to present your plan in various countries is explored. Writing Winning Business Plans is the complete compendium for this essential business rite of passage – preparing a winning plan.

"Designed for entrepreneurs and individuals interested in starting their own business, this book provides an indepth study of how the special characteristics of limited partnerships and limited

Liability companies may be used to your advantage and to assist you in protecting assets, managing wealth and strategic estate planning to minimize taxes. It features strategic uses of limited liability companies and limited partnerships to hold real estate and other assets, how to easily manage and operate a limited liability company or limited partnership, how to creatively plan for your future and your family's future, and how to follow the rules to keep your assets protected."--Publisher description.

In difficult times, debt can be a matter of life and death, happiness and despair. Controlling your debt can bring order and calm. Mastering debt can bring wealth and success. As bestselling Rich Dad/Poor Dad author Robert Kiyosaki says, "Good debt makes you rich and bad debt makes you poor." The ABCs of Getting Out of Debt provides the necessary knowledge to navigate through a very challenging credit environment. A Rich Dad's Advisor and best selling author of numerous business books, Garrett Sutton, Esq. clearly writes on the key strategies readers must follow to get out of debt. Unlike other superficial offerings, Sutton explores the psychology and health effects of debt. From there, the reader learns how to beat the lenders at their own game, and how to understand and repair your own credit. Using real life illustrative stories, Sutton shares how to deal with debt collectors, avoid credit scams, and win with good credit. "The reason Garrett Sutton's book is so important is that like it or not, debt is a powerful force in our world today. The financially intelligent are using debt to enrich themselves while the financially uneducated are using debt to destroy their lives."- Robert Kiyosaki The times call for a book that offers hope and education on mastering credit and getting out of debt.

Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

Tax-Free Wealth is about tax planning concepts. It's about how to use your country's tax laws to your benefit. In this book, Tom Wheelwright will tell you how the tax laws work. And how they are designed to reduce your taxes, not to increase your taxes. Once you understand this basic principle, you no longer need to be afraid of the tax laws. They are there to help you and your business—not to hinder you. Once you understand the basic principles of tax reduction, you can begin, immediately, reducing your taxes. Eventually, you may even be able to legally eliminate your income taxes and drastically reduce your other taxes. Once you do that, you can live a life of Tax-Free Wealth.
