This leading strategy text presents the complexities of strategic management through up-to-date scholarship and hands-on applications. Highly respected authors Charles Hill and Gareth Jones integrate cutting-edge research on topics including corporate performance, governance, strategic leadership, technology, and business ethics through both theory and cases. Based on real-world practices and current thinking in the field, the Ninth Edition of Strategic Management features an increased emphasis on the changing global economy and its role in strategic management. The high-quality case study program contains 30 cases covering small, medium, and large companies of varying backgrounds. All cases are available in the main student text or the core case text.

The landmark project management reference, now in a new edition Now in a Tenth Edition, this industry-leading project management "bible" aligns its streamlined approach to the latest release of the Project Management Institute's Project Management Body of Knowledge (PMI®'s PMBOK® Guide), the new mandatory source of training for the Project Management Professional (PMP®) Certification Exam. This outstanding edition gives students and professionals a profound understanding of project management with insights from one of the best-known and respected authorities on the subject. From the intricate framework of organizational behavior and structure that can determine project success to the planning, scheduling, and controlling processes vital to effective project management, the new edition thoroughly covers every key component of the subject. This Tenth Edition features: New sections on scope changes, exiting a project, collective belief, and managing virtual teams More than twenty-five case studies, including a new case on the Iridium Project covering all aspects of project management 400 discussion questions More than 125 multiple-choice questions (PMI, PMBOK, PMP, and Project Management Professional are registered marks of the Project Management Institute, Inc.)

Thompson, Strickland and Gambles', CRAFTING AND EXECUTING STRATEGY, 17e presents the latest research findings from the literature and cutting-edge strategic practices of companies have been incorporated to keep step with both theory and practice. The chapter content continues to be solidly mainstream and balanced, mirroring both the best academic thinking and the pragmatism of real-world strategic management. An attractive collection of 20 readings that amplify important topics in managing a company's strategy-making, strategy-executing process is included in this Text and Readings version to provide students with a taste of the literature of strategic management before tackling cases or simulation projects.

STRATEGIZE! is a perfect complement to any standard strategic management text. STRATEGIZE! allows you to try out the strategy models and concepts and get feedback regarding your understanding and application of strategic management theory. The book presents a number of experiential exercises and projects for use in and out of class. Because the exercises include thought, action, and feedback-assessment components, they promote an understanding of strategic management through comprehensive active learning. All exercises and scenarios have been thoroughly updated to provide accurate and relevant information that ensure consistency with changing strategic management concepts.
