This book is about how to teach English as a second language and how second language students learn. With Communicative Language Teaching (CLT) at its centre, it takes a practical approach to second language teaching backed up by clearly explained theory. Presenting eight essential principles across twelve chapters, the book covers Learner Autonomy, Social Learning, Integrated Curriculum, Meaning, Diversity, Thinking Skills, Alternative Assessment and Teacher Co-learning, and shows how technology and reflective teaching can be used to support and enhance these essentials in the classroom. Combining theory and practice, Essentials for Successful English Language Teaching explains how these principles interweave and support each other within the CLT paradigm, demonstrating why they are best implemented as a whole, rather than one at a time. Now revised and brought fully up to date, this new edition includes: - A brand new chapter covering technology and cooperation in teaching practice and how they support CLT-based activities - Vignettes for each essential principle to consolidate theory and demonstrate best practice - Updated real world examples, drawing on teaching experiences from North America, Africa and Asia Taking a 'big picture' view that assumes no prior knowledge of linguistics or language education, Essentials for Successful English Language Teaching is an energising and fun guide for language practitioners.

How do we teach English Language Learners (ELLs) and how do our ELLs learn? This book answers those questions. "Essentials For Successful English Language Teaching" is about how we teach English Language Learners (ELLs) and how our ELLs learn. Farrell and Jacobs encourage those involved in teaching English to develop, maintain and rediscover the reasons that led them to take up the profession. They focus on the essentials in teaching the English language that teachers can implement in their instruction so that their students can excel in their learning: encourage learner autonomy; emphasize the social nature of learning; develop curricular integration, focus on meaning; celebrate diversity; expand thinking skills; utilize alternative assessment, and, promote English language teachers as co-learners along with their students. These essentials are best implemented as a whole, rather than one at a time and so they are interwoven with each other to encourage a holistic teaching approach. Highly accessible, each chapter comes with case studies and a range of activities to encourage the reader to put each of the essentials into practice. This reflective and engaging book will be invaluable to postgraduate students of TESOL and applied linguistics, and in-service language teachers.

Printbegrænsninger: Der kan printes 10 sider ad gangen og max. 40 sider pr. session

This second edition updates a course which has proven to be a perfect fit for classes the world over. Engaging content and a strong focus on grammar and vocabulary combine to make this course a hit with both teachers and students. This Workbook provides extra language and skills practice for use both in the classroom or at home. It also includes extra vocabulary exercises corresponding to the expanded lexical sets in the Student's Book 'Vocabulary bank'. 'Study Help' and 'Skills Tips' sections give learners extra support and guidance. The audio content to accompany the workbook is included on the Student's Book DVD-ROM and on the Audio CDs.

The aim of Nelson Thornes Framework English is to develop students' confidence and achievement in writing. With its unique range of rich fiction and non-fiction texts, and comprehensive coverage of the core skills, Nelson Thornes Framework English Skills in Fiction and Non-Fiction targets students doing well in years 7-10.

Changes is a four-level general English course for adult and young adult learners. Changes ensures that students have every opportunity to develop confident communicative ability as well as accuracy in English.

This second edition updates a course which has proven to be a perfect fit for classes the world over. The Teacher's Resource Book contains the content for Combos 1A and 1B in one volume. All unit numbers and page references correspond to the Combos. It contains extra photocopiable grammar and communication activities and full pages of teaching tips and ideas specially written by methodology expert, Mario Rinvolucri. A Combo Testmaker Audio CD/CD-ROM which allows teachers to create and edit their own tests is also available separately, as is Classware for the full edition which integrates the Student's Book, class audio and video.

Contains four complete past papers from Cambridge ESOL for the Cambridge Certificate in Advanced English examination

Everything you need to know about the 2016-2017 ACT test, with real full-length practice tests from the makers of the ACT! The Official ACT Prep Guide 2016-2017 is the bestselling resource for students gearing up for the ACT test. This comprehensive guide walks you through the entire test experience,

from registration through results, with expert advice straight from the test's creators. You'll find effective test-taking strategies, tips for boosting your score on the English, math, reading, and science tests, and detailed information on the enhanced optional writing test. Three new full-length practice tests help you assess your readiness so you can spot weak areas well in advance, and the ACT experts provide valuable advice on preparing both mentally and physically so you can manage anxiety and be fully confident on test day. You also get free online bonus content to help you start college on the right foot, including tips for preparing an application that gets noticed, getting into your first-choice school, being a successful student, and much more. The 2016-2017 version of the ACT guide includes a number of changes, including reading test sections with two shorter prose passages and the enhanced writing test's prompts. This guide provides a preview of what to expect for the entire exam, so you can go into the test feeling fully prepared and ready to excel. Get insider tips and strategies from the exam's creators Improve your score in all five content areas, including the optional writing test Practice with full-length test forms taken from the actual ACT Gear up for college with bonus online advice for a successful first year The ACT is different from other standardized tests. It tests your accumulated skills and knowledge, so sheer memorization and vocabulary lists are unproductive prep strategies. For preparation strategies that actually make a difference in your score—and beyond—go straight to the source with The Official ACT Prep Guide 2016-2017.
