The secret siege occurred in 135 AC during the regency of Aegon III. When King Aegon III Targaryen and his brother, Prince Viserys, defiantly remained in Maegor's Holdfast within the Red Keep for eighteen days in order to protect Viserys' wife Larra Rogare from being arrested on the orders of the regents. It became known as the "secret siege" due to the fact that the majority of both the population of King's Landing and the rest of Westeros was unaware of the siege until after its conclusion.

About Us - Captive Insurance 101

The secret siege occurred in 135 AC during the regency of Aegon III. When King Aegon III Targaryen and his brother, Prince Viserys, defiantly remained in Maegor's Holdfast within the Red Keep for eighteen days in order to protect Viserys' wife Larra Rogare from being arrested on the orders of the regents. It became known as the "secret siege" due to the fact that the majority of both the population of King's Landing and the rest of Westeros was unaware of the siege until after its conclusion.

Secret siege - A Wiki of Ice and Fire

Directed by Gary McKendry. With Jason Statham, Clive Owen, Robert De Niro, Dominic Purcell. When his mentor is taken captive by a disgraced Arab sheik, a killer-for-hire is forced into action. His mission: kill three members of Britain's elite Special Air Service responsible for the death of his sons.

Secret siege - A Wiki of Ice and Fire

The Definitive Guide to Captive Insurance Companies: What Every Small Business Owner Needs To Know About Creating and Implementing a Captive America's top corporate estate, tax and asset protection attorney provides readers with true insight on multiple key sophisticated planning techniques for small business owners implementing captive insurance companies. The Definitive Guide to Captive Insurance Companies will provide readers with the ability to - Reduce income taxation, - Increase cashflow, - Self-insure, - Protect personal and business assets, and - Enhance estate planning.

A captive insurance company is, in a nutshell, an insurance company formed by a business owner to insure the risks of the operating business. The operating business pays premiums to the captive, and the captive insures the risks of the operating business. A captive is much more than an exotic form of self-insurance: It is the creation of a new insurance company that has the potential to grow from being a mere captive into a full-blown insurance company seeking to profit from underwriting the risks of others. Adkisson's Captive Insurance Companies provides a basic introduction to captives and their benefits, including: utilize your own experience ratings; recapture underwriting profits; underwrite exposed risks and deductibles; access the reinsurance markets; and transfer wealth between generations. This book also provides a unique look at the wealth transfer, accumulation and preservation advantages of captives, as well as an overview of the types of captives, taxation of captives, and captive domiciles.

A Japanese soldier captured by American forces in the Philippines, recounts his experiences in an American prisoner of war camp, and describes how the experiences there shaped his thinking

All my life I have been 'taken captive by birds'. Their doings are the thread that runs through childhood, the link to people and to place. Their appearance and their presence can at once recall a name, a scent, a morning full of song and exploration; an evening sorrow, a childhood fear. For, somehow, it is the birds that saw it all: those unobtrusive harbingers whose boundaries are defined by other laws than ours but whose ancient lore remains a cipher to remembrance for me.

A "historical romance of ill-gotten riches and revenge on the high seas" from the #1 New York Times–bestselling author of Captive Splendors (Booklist), Fury van der Rhys is the daughter of Sirena, the beautiful Sea Siren, who rode the high seas as commander of a frigate, plundering the ships of the Dutch East India Company. Brandishing her mother's sword, Fury sets sail for the coast of Africa to challenge Amalie, the gorgeous black-bearded pretender to her mother's legacy, and to fight for the tall, dark-eyed Spaniard they both love and have sworn to have . . . Praise for the writing of Fern Michaels "Heartbreaking, suspenseful, and tender." —Booklist on Return to Sender "A big, rich book in every way . . . I think Fern Michaels has struck oil with this one." —Patricia Mathews on Texas Rich "Fast-moving . . . Entertaining . . . A roller-coaster ride of serendipitous fun." —Publishers Weekly on Mr. and Miss Anonymous

My college roommate is the worst. Cecile steals my food, brings guys over at all hours, and parties instead of studying. But those quirks pale in comparison to what she does next. She drugs me, and I wake up imprisoned in an alternate universe full of terrifying creatures. Now, the biggest and scariest creature of all-a fae king-believes I'm his mate. He's freed me from the dungeon but keeps me close. So close, in fact, that I'm beginning to like his wintry gaze and ice-chiseled body. But secrets and villains lurk throughout this new world, and I don't know if I'll survive long enough to figure out how to get back home.Lily's Note: This beautiful hardback edition includes the first four books in the Fae's Captive Series: Fae's Captive, Road to Winter, Bite of Winter, and Beyond the Mountain, which completes Taylor and Leander's story.

This is the first book on captive insurance which thoroughly examines the relevant issues associated with starting a captive insurance company. Part I begins with a description of the companies most likely to benefit from a captive program. This is followed by a detailed outline and explanation of the formation process and ends with an overview of the tax issues encountered by a property and casualty insurance company. Part II presents the first in-depth historical analysis of the entire history of U.S. captive insurance case law. It begins with the reserve cases of the early 20th century and is followed by the flood plane cases of the 1950s, the I.R.S. victories of the 1980s, the taxpayer victories of the 1990s and the I.R.S. safe harbor Revenue Rulings of the early 2000s. With over 950 footnotes and 40 sources, this is the most complete treatment of captive insurance to date.

Now updated with a new afterword, Captive is an emotional, ripped-from-the-headlines exposé that lays bare the secretive cult that shocked the world—for fans of Leah Remini's Troublemaker and Lawrence Wright's Going Clear. I am a mother whose child is being abused and exploited. And I am not alone. In 2011, former Dynasty star Catherine Oxenberg joined her daughter, India, at a leadership seminar for a new organization called NXIVM. Her then twenty-year-old daughter was on the threshold of starting her own professional life and they both thought this program might help her achieve her dream. But quickly, Catherine saw a sinister side to the program that claimed to simply want to help its clients become the best versions of themselves. Catherine watched in horror as her daughter fell further and further down the rabbit hole, falling under the spell of NXIVM's hypnotic leader, Keith Ranier. Despite Catherine's best efforts, India was drawn deeper into the cult, eventually joining an elite "sorority" of women members who were ordered to maintain a restricted diet, recruit other women as "slaves," and were branded with their leader's initials. In Captive, Catherine shares every parent's worst nightmare, and the lengths that a mother will go to save her child. Catherine's efforts finally led the FBI to take notice—and the journey is not yet over. A powerful depiction of a mother's love and determination, and with horrifying insider details never revealed in any news story, Captive will keep you reading until the very last page.
