Con más de 13 ediciones, se ha convertido en un clásico del tarot. Las imágenes de estas cartas son totalmente contemporáneas, con un fascinante diseño que resulta ideal incluso para el usuario más inexperto; y el libro ayuda a interpretar y comprender las imágenes gracias a su lenguaje simple y directo.

Osho Zen Tarot, from the #1 bestselling mystic and spiritual author Osho! When life seems to be full of doubt and uncertainty we tend to look for a source of inspiration: what will happen in the future? What about my health, the children? What will happen if I make this decision and not that one? This is how the traditional tarot is often used, to satisfy a longing to know about the past and future. The Osho Zen Tarot focuses instead on gaining an understanding of the here and now. It is a system based on the wisdom of Zen, a wisdom that says events in the outer world simply reflect in the outer world simply reflect our own thoughts and feelings, even though we ourselves might be unclear about what those thoughts and feelings are. So it helps us to turn our attention away from outside events so we can find a new clarity of understanding in our innermost hearts. The conditions and states of mind portrayed by the contemporary images on the cards are all shown as being essentially transitional and transformative. The text in the accompanying book helps to interpret and understand the images in the simple, straightforward and down to earth language of Zen.

This Spiritsong deck is a melding of two traditions of divination: one in which animals are seen as guides between our world and the spirit world, and one that uses 78 cards as a tool to connect with our highest self. Each animal was specifically selected based upon Shamanic and Native American symbolism, merging each animal's unique power with classic tarot practices. For example, the Spiritsong animal, Raven, has attributes such as 'creation' that parallels some of the same symbolic tarot attributes of the traditional Magician card, which is why the Raven is the animal representing that card. The Spiritsong Tarot structure is based on the traditional tarot, containing the 22 Majors, the 56 Minors, and four suits: Acorns for Wands/Fire; Feathers for Swords/Air; Shells for Cups/Water; and Crystals for Pentacles/Earth.

Osho sees Zen not as a historical spiritual tradition, but as the future of a humanity that has matured to the point that people no longer need religions controlled by [priesthoods] and based on fearful superstitions that cripple people's innate intelligence and divide them from one another. This book offers a deeper understanding of the underlying differences between Eastern and Western approaches to religion and the nature of consciousness. It's a beautiful introduction to a world where each individual has the capacity for an instant and profound understanding of existence, and a rebirth of the trust in life that each of us are born with. Dang Dang Doko Dang represents the sound of the drum beaten by a Zen master in an existential lesson for a disciple. As well as symbolizing the poetic quality of Zen, the title represents the special flavor of this collection of Osho's commentaries on well-known Zen stories. This volume is part of the OSHO Classics series and also includes Osho's responses to questions about the meditation technique of Zazen.

How do we reconcile our need to express our emotions with our desire to protect others? Far too often we find ourselves trapped in this dilemma of expression versus repression. We fear that by expressing our true feelings, we will hurt and alienate those close to us. But by repressing our emotions—even in the benevolent guise of [self-control]—we only risk hurting ourselves. Osho, one of the most provocative and inspiring spiritual teachers of our time, provides here a practical and comprehensive approach to dealing with this conflict effectively. Incorporating new, never-before-published material, Emotional Wellness leads us to understand the roots of our emotions, to react to situations in a way that can teach us more about ourselves and others, and to respond to life's inevitable ups and downs with far greater confidence and equilibrium. Discover: [The impact that fear, anger, and jealousy have on our lives] How emotions like guilt, insecurity, and fear are used to manipulate us [How to break out of unhealthy responses to strong emotions] How to transform destructive emotions into creative energy [The role of society and culture on our individual emotional styles Osho's unique insight into the human mind and heart goes far beyond conventional psychology. He teaches us to experience our emotions fully and to deal with them creatively in order to achieve a richer, fuller life.

The book you hold in your hand or you are just ordering from an online store is a unique book. It is the first book by the contemporary mystic Osho. At the beginning of his public life, Osho who is at that time a professor of philosophy at Jabalpur University, introduces people to a new and unique understanding of meditation during experiential meditation camps. He speaks to the participants and responds to questions. This book is the first published records of Osho's first meditation camp in Rajasthan, India. In fifteen small chapters he gives a condensed presentation of his understanding of meditation which he then elaborates in many more talks and publications - but the essential message is already available in this book. Osho speaks to the individual, not to a collective, not the abstract collective of humanity, or a collective defined by religion or nationality or race but to individuals as the core element of existence. We used one of his opening comments as a longer quote on the front cover of the book as it seem so important "The individual is the unit of the whole and it is through him that both evolution and revolution can take place. You are that unit." Osho, mentions this book on several occasions in his later talks. When the second prime minister of India traveled to Russia, a copy of The Perfect Way was with him. And when someone in contact with Osho at the age of ninety stumbled upon The Perfect Way, he commented, [All my learning of the scriptures was futile, only this small book is enough.] In The Perfect Way the reader meets a human being who knows, but who also knows how to convey what he knows. His genius in full flight, he points us as far as one can with words toward the inner world of the self, toward the zone of silence. What starts on a hot summer day in the early 1960's will prove to be the first seed of a revolutionary experiment in the flowering of human consciousness [one which will eventually transform the lives of millions of people all over the world.]To be without thoughts is meditation, Osho says. [When there are no thoughts, it is then we come to know the one hidden by our thoughts. When there are no clouds, the blue sky is revealed.] This book is page after page of blue sky.

With the help of these 44 oracle cards, you can have a deeply personal relationship with the amazing fairy realm and with the help of the enclosed guidebook; you'll learn how to give yourself and your loved ones accurate and helpful readings.

Lunáticas es una guía para que las mujeres puedan conectarse con la naturaleza más profunda que las une al ciclo lunar.
