them and huge divi for us. The BoD have not sold a bean.

The series is a platform for contributions of all kinds to this rapidly developing field. General problems are studied from the perspective of individual languages, language families, language groups, or language samples. Conclusions are the result of a deepened study of empirical data. Special emphasis is given to little-known languages, whose analysis may shed new light on long-standing problems in general linguistics.

Available again for the first time in many years, Moses Stuart's Grammar of the New Testament Dialect was America's earliest complete Greek grammar. This second edition, published in 1841, represents a marked improvement over the first edition and stands as a landmark in the history of Greek grammars written in the English language.

Language structure and use are largely shaped by cognitive processes such as categorizing, framing, inferencing, associative (metonymic), and analogical (metaphorical) thinking, and – mediated through cognition – by bodily experience, emotion, perception, action,

social/communicative interaction, culture, and the internal ecology of the linguistic system itself. The contributors to the present volume demonstrate how these language-independent factors motivate grammar and the lexicon in a variety of languages such as English, German, French, Italian, Hungarian, Russian, Croatian, Japanese, and Korean. The volume will be of great interest to students and scholars in cognitive and functional linguistics.

A resource book of supplementary materials for the teaching of grammar through songs. *Singing Grammar* is part of the Cambridge Copy Collection. It is a resource book of

supplementary materials for the teaching of grammar through the medium of song. The Audio CD contains eighteen songs, each with a specific grammar focus, and is suitable for students from elementary to intermediate level. For each of the songs there is a clear page of teaching notes followed by a motivating song worksheet, a grammar exercise page and a fun grammar game for classroom use. The material is especially suitable for younger learners but could also be used successfully with adults.

Southwest Academy, a high school community that mirrors the larger society. It is a story of a patriotic repairman, Desmond Odu, who combined hard work, selfless love and devotion to duty in his strides to improve his classroom constituency. How Teacher Desmond and his crew surmounted the obstacles ready to thwart their noble intentions are strands with which this stimulating story is written. The story celebrates good leadership and motivated followers in their transformation strides to a better future. In this fast-paced, humorous, entertaining and romantic school classic, the author brings to life dream characters - the expectation of a society yearning for direction.
