A public meeting with angry residents and eager reporters is a common feature on the local news. Whether addressing environmental, or other issues, the experience for the board members, consultants, and specialists at these meetings ranges from uncomfortable to nightmarish. The issues discussed in these meetings usually stem from years of community disappointment, mistrust, fears, factions, political or social positioning, or all of the above. Industry faces a labyrinth of environmental and business regulations, and unique challenges in dealing with the public and the media. Environmental
