This Market report covers technical data, manufacturing plants analysis, and raw material sources analysis of Sweeper Equipment Industry as well as explains which product has the highest penetration, ...

The Commissions report examines the acquisition by Bucher Industries of Johnston Sweepers Ltd, both of which manufacture outdoor sweeping machines used to clean roads, car parks and pedestrian walkways. Findings include that the merger is not expected to result in a substantial lessening of competition within any UK market. Concerns are noted in relation to the accuracy and completeness of information supplied by Bucher during the course of the inquiry, and this issue is now being considered by the Commission separately from the inquiry.
