Personal narrative of "Ted Bundy's lover and fiancée for more than six years"—Jacket.

The most fearsome Serial Killer in U.S. history. A murderer's tale is not always shrouded in darkness, trauma, and failure to perform as a normal person. Some killers are just as successful in life as those around them or even more so. They are able to function as any regular human being and charm their communities and victims into believing that they are of a good, pure nature. Ted Bundy was a handsome, charming and ambitious man who carried his hatred deeper and more hidden than any other murderers do. He was able to lead a life that included normal friendships and relationships, and he even got far as both a student and a politician. But the hatred was there...it was always there... Bundy ended the lives of over thirty young women, ensuring that their final moments were ugly and violent. His torture methods were cruel, and there was no mercy shown to each female as he bludgeoned, strangled or cut them. Ted Bundy - The Campus Killer - a name of nightmares. This is his story.
