~~Book 1 in the Inked Hearts series. I shouldn't peek into Brendon's sketchbook, even if the tattoo artist is as brooding and stoic as the day is long. I can't help myself. I peel it open, run my fingers along the paper, soak up every ounce of him. His drawings are as beautiful and bold as his dark eyes and his cocky smile.~~

~~He's my best friend's older brother, off limits and incredibly tempting. I shouldn't peak into Brendon's sketchbook, even if the tattoo artist is as brooding and stoic as the day is long. I can't help myself. I peel it open, run my fingers along the paper, soak up every ounce of him. His drawings are as beautiful and bold as his dark eyes and his cocky smile. Only, there, on the third page—that's no tattoo mockup. That's me. Naked. Ready. Waiting in his bed. There's no denying it—those are my blue glasses, my green eyes, my flushed cheeks. Brendon wants me. The smoking hot, ten thousand miles out of my league bad boy wants me— a good girl virgin with thick glasses and no game. It's perfect. Only it's not. He's my best friend's older brother. He's off limits. But damn is he tempting.~~

~~My sexy, young intern, Isobel, desperately wants to lose her virginity. She's far too young for me. I'm not going to let that stop me. I plan to instruct the girl how to please me, and if she's obedient, if she follows my every instruction, I'll reward her at the end of the week. How? By claiming her innocence. Her first task? To come to work wearing a skirt – a short one. No panties. I explain my strict demands and enjoy seeing her sweet blush. With each task, I feel my self-control slipping. Isobel's innocent. Untouched. And yet I find myself falling more and more under her spell. As the final day approaches, I'm~~

consumed with savage need. One thing's certain. I want more than her sweet innocence...

Olivia Lincoln has a plan guaranteed to get her life back on track. A plan that involves her best friend, Danny. And he's on board, too...until she blurts out that they're engaged and expecting a baby, and the news spreads like wildfire. The problem? Danny doesn't do marriage. Or family. And everyone knows it, including Olivia. As irritated as he might be, protecting Olivia is what Danny does. But put best friends under one roof, add house rules begging to be broken, accidental nakedness, and pancakes in bed, and what started as a marriage between friends threatens to turn into the real deal...which would ruin everything. Each book in the Kissed in the Sand series is a standalone, full-length story that can be enjoyed out of order. Series Order: Book #1 Keeping Mr. Right Now Book #2 Blame it on the Kiss Book #3 The Best Friend Bargain

It's all fun and games in Vegas, until you accidentally marry your best friend. Last night, I married Jules. That's right, I married the girl who thought I had cooties in fourth grade. Yeah, we drank a few too many shots of tequila. We danced a little too close. But nothing prepared me for the taste of her lips. All of a sudden, we were in a borrowed limo (don't ask), ripping each other's clothes off, whispering dirty promises. Then I was on one knee, asking her to make it forever. And she was saying yes. This morning, everything changed. She wants to erase our night. Go back to normal. Only there's no more normal. I'm acutely aware of her long legs, her soft curves, her sweet moan. Mistakes be damned. She's my wife. I'm not about to let her go. Accidental Husband is a standalone accidental marriage romance full of heat, humor, and heart. Come see why readers say "no one writes broken bad boys like Crystal Kaswell."

Tempting Tim is a heartfelt and deeply engrossing small-town, second-chance romance - guaranteed to bring music to your soul all the way to the happily-ever-after. I never wanted the limelight. The only thing I wanted was Conley Logan. When words failed to express my feelings for Conley, I relied on music instead. But our love song ended before it even began, before I'd even told her how I truly felt. As a result, I watched Conley leave hand-in-hand with my bandmate instead of me. Not wanting the fight that would break up the band, I made a choice. I lived with it every day, knowing it was nobody's fault but my own. I've moved on. I'm content with my small-town life, running a bar. But now Conley is back, forcing me to face the music. From the way I'm still tempted to make her mine, it's as if nothing has changed—but until she tells me why she's back, I'm not sure I can trust what's growing between us. The only thing that has changed: I'm not letting her get away this time without a fight. There are four standalone books in the Billingsley series: ?Redeeming Lottie - Tucker & Lottie ?Chasing Hannah - Billy & Hannah ?Taming Wes - Wes & Devin ?Tempting Tim - Tim & Conley

From New York Times and USA Today bestselling author Kristen Proby comes a new story in her Big Sky series... Brooke's Blooms has taken Cunningham Falls by surprise. The beautiful, innovative flower shop is trendy, with not only gorgeous flower arrangements, but also fun gifts for any occasion. This store is Brooke Henderson's deepest joy, and it means everything to her, which shows in how completely she and her little shop have been embraced by the small community of Cunningham Falls. So, when her landlord dies and Brody Chabot saunters through her door, announcing that the building has been sold, and will soon be demolished, Brooke knows that she's in for the fight of her life. But she hasn't gotten this far by sitting back and quietly doing what she's told. Hustle is Brooke's middle name, and she has no intention of losing this fight, no matter how tempting Brody's smile -- and body -- is. **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.**
