Rich, unusual flavors and hot and spicy combinations have made Thai cooking the newest exotic cuisine that is sweeping the country. Now 157 classic dishes from the authentic Thai restaurant Kamolmal have been collected and re-created into easy-to-follow recipes for American cooks.

Real Thai has gone vegetarian! Everyone loves Thai food, but it's not easy to find truly meatless dishes. Thai cooking expert Nancie McDermott has developed inventive variations on traditional recipes, providing health-conscious cooks with a repertoire of meatless dishes that captures the vibrant spirit of Thailand. A helpful glossary introduces readers to the seemingly mysterious yet widely available ingredients and equipment used in Thai cooking and offers tips for finding or substituting them. With an emphasis on the classic techniques, ingredients, and flavors of Thai cuisine, this groundbreaking cookbook provides one hundred delicious recipes for everyday meals and special occasions.

With a uniquely balanced combination of salty, sweet, sour, and spicy flavors, Thai food burst onto Los Angeles's culinary scene in the 1980s. *Flavors of Empire* examines the rise of Thai food and the way it shaped the racial and ethnic contours of Thai American identity and community. Full of vivid oral histories and new material from the archives, this book explores the factors that made foodways central to the Thai American experience. Starting with American Cold War intervention in Thailand, Mark Padoongpatt traces how informal empire allowed U.S. citizens to discover Thai cuisine abroad and introduce it inside the United States. When Thais arrived in Los Angeles, they reinvented and repackaged Thai food in various ways to meet the rising popularity of the cuisine in urban and suburban spaces. Padoongpatt opens up the history, politics, and tastes of Thai food for the first time, all while demonstrating how race emerges in seemingly mundane and unexpected places.

A collection of 125 chef-worthy global recipes presented in international dinner menus, drawn from renowned chef Cindy Pawlcyn's informal gatherings. One of the leading female chefs, Cindy Pawlcyn has selected her favorite international recipes in this collection of complete menus from around the globe. A culinary world tour from Turkish Tomato Salad with Sumac to Ethiopian Spiced Red Lentil Stew, Cindy honed her recipes for the home kitchen (shorter ingredients lists, quicker prep time) while still delivering the level of flavor and sophistication she is known for. Including fare from some of the world's greatest food cities and countries, *Cindy's Supper Club* is a top chef's guide to the best of global cuisine.
