It's no accident that Jesus' first miracle was turning water into wine! Written by an Episcopalian priest-slash-bar owner, this thoughtful, well-written book of spiritual essays distills lessons about the character of God from stories about adult beverages. "Oh taste and see that the Lord is good." —Psalm 34:8 Being upright does not mean you have to be uptight—at least according to Father Bill Miller, an Episcopal priest/bar owner. As a fan of both spirits and the Holy Spirit, he is very familiar with the intoxicating lure of some of God's finer creations, and in *The Beer Drinker's Guide to God* he brews up insightful, beautifully written reflections about the strange intersections of God, and, well...beer. In this humorous collection of essays, he weaves together stories from his life in ministry, his travels in search of the world's best Scotch, his conversations with Trappist monks, and colorful evenings in his bar, Padre's. He also reflects on the lessons he's learned from baseball, Playboy bunnies, Las Vegas, and his attempts to become chaplain to the Dallas Cowboy cheerleaders, all while (somehow) crafting essays about the spiritual importance of generosity, sacrifice, openness, and spiritual transformation. Really. Essays include: -WWJD: What Would Jesus Drink? -Brewed Over Me and Distill Me, O Lord -Pearls of Great Price -Chicken Soup for the Hooters Girl's Soul -Miss Hawaii and Other Miss Takes -Don't Leave me Hanging: The Theological Significance of Athletic Supporters From the deeply touching to the laugh-out-loud funny, these stories ultimately open our minds to the glory of God and our mouths to some of God's more delicious creations. *The Beer Drinker's Guide to God* is a smart, hilarious book for those thirsty for God's truth.

"Delves beyond the traditional icons to reveal the everyday expressions of Thainess that so delight and puzzle. Through colourful text and 500 quirky photos, explore the country's alternative sights, from truck art and taxi altars to buffalo cart furniture and drinks in bags".--BOOKJACKET.

“The funniest, most savage takedown of the American news media since Fear and Loathing: On the Campaign Trail '72.”—The Washington Post Michael Hastings’ untimely death at the age of thirty-three rocked the journalism community. But the New York Times bestselling author of The Operators left behind an unexpected legacy: a wickedly funny novel based on Hastings’s own journalistic experiences in the mid-2000s. Discovered in his files, the novel features a wet-behind-the-ears intern named Michael M. Hastings who must choose between his career and the truth. A searing portrait of print journalism’s last glory days, The Last Magazine earned Hastings comparisons to Evelyn Waugh and Hunter S. Thompson and stands as a testament to one of America’s most treasured reporters.

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

The author of It’s Okay to Laugh and host of the popular podcast Terrible, Thanks for Asking—interviews that are “a gift to be able to listen [to]” (New York Times)—returns with more hilarious meditations on her messy, wonderful, bittersweet, and unconventional life. Life has a million different ways to kick you right in the chops. We lose love, lose jobs, lose our sense of self. For Nora McInerney, it was losing her husband, her father, and her unborn second child in one catastrophic year. But in the wake of loss, we get to assemble something new from whatever is left behind. Some circles call finding happiness after loss “Chapter 2”—the continuation of something else. Today, Nora is remarried and mothers four children aged 16 months to 16 years. While her new circumstances bring her extraordinary joy, they are also tinged with sadness over the loved ones she’s lost. Life has made Nora a reluctant expert in hard conversations. On her wildly popular podcast, she talks about painful experiences we inevitably face, and exposes the absurdity of the question “how are you?” that people often ask when we’re coping with the aftermath of emotional catastrophe. She knows intimately that when your life falls apart, there’s a mad rush to be okay—to find a silver lining, to get to the happy ending. In this, her second memoir, Nora offers a tragicomic exploration of the tension between finding happiness and holding space for the unhappy experiences that have shaped us. No Happy Endings is a book for people living life after life has fallen apart. It’s a book for people who know that they’re moving forward, not moving on. It’s a book for people who

know life isn't always happy, but it isn't the end: there will be unimaginable joy and incomprehensible tragedy. As Nora reminds us, there will be no happy endings—but there will be new beginnings.
