"Stephen Hunter is in a class by himself. Time to Hunt is as vivid and haunting as a moving target in the crosshairs of a sniper scope."—Nelson Demille, author of Mayday He is the most dangerous man alive. He only wants to live in peace with his family, and forget the war that nearly killed him. . . . It's not going to happen. Stephen Hunter's epic national bestsellers, Point of Impact and Black Light, introduced millions of readers to Bob Lee Swagger, called "Bob the Nailer," a heroic but flawed Vietnam War veteran forced twice to use his skills as a master sniper to defend his life and his honor. Now, in his grandest, most intensely thrilling adventure yet, Bob the Nailer must face his deadliest foe from Vietnam—and his own demons—to save his wife and daughter. During the latter days of the Vietnam War, deep in-country, a young idealistic Marine named Donny Fenn was cut down by a sniper's bullet as he set out on patrol with Swagger, who himself received a grievous wound. Years later Swagger married Donny's widow, Julie, and together they raise their daughter, Nikki, on a ranch in the isolated Sawtooth Mountains in Idaho. Although he struggles with the painful legacy of Vietnam, Swagger's greatest wish—to leave his violent past behind and live quietly with his family—seems to have come true. Then one idyllic day, a man, a woman, and a girl set out from the ranch on horseback. High on a ridge above a mountain pass, a thousand yards distant, a calm, cold-eyed shooter, one of the world's greatest marksmen, peers through a telescopic sight at the three approaching figures. Out of his tortured past, a mortal enemy has once again found Bob the Nailer. Time to Hunt proves anew why so many consider Stephen Hunter to be our best living thriller writer. With a plot that sweeps from the killing fields of Vietnam to the corridors of power in Washington to the shadowy plots of the new world order, Hunter delivers all the complex, stay-up-all-night action his fans demand in a masterful tale of family heartbreak and international intrigue—and shows why, for Bob Lee Swagger, it's once again time to hunt. Praise for Time to Hunt "Stephen Hunter is simply the best writer of action fiction in the world and Time to Hunt proves it."—Philip Margolin, author of The Burning Man "The best straight-up thriller writer at work today."—Rocky Mountain News

"A harsh, visceral, novel of conspiracy and betrayal. . . . a disturbing mix that plays on our sense of history while at the same time it appeals to our darkest fantasies of rough justice."—Chicago Tribune The inspiration for the USA Network series Shooter He was one the best Marine snipers in Vietnam. Today, twenty years later, disgruntled hero of an unheroic war, all Bob Lee Swagger wants to be left alone and to leave the killing behind. But with consummate psychological skill, a shadowy military organization seduces Bob into leaving his beloved Arkansas hills for one last mission for his country, unaware until too late that the game is rigged. The assassination plot is executed to perfection—until Bob Lee Swagger, alleged lone gunman, comes out of the operation alive, the target of a nationwide manhunt, his only allies a woman he just met and a discredited FBI agent. Now Bob Lee Swagger is on the run, using his lethal skills once more—but this time to track down the men who set him up and to break a dark conspiracy aimed at the very heart of America.

Bob Lee Swagger, former Marine Corps sniper, is back. And this time, it's personal. Bob Lee Swagger is worried. As a former Marine Corps sniper, he's picked up more than his fair share of enemies hell-bent on revenge and he senses that something isn't right. Unconvinced by the Sheriff's conclusion that Nikki's crash was caused by a local kid high on Meth, Bob picks up the investigation where his daughter left off. What people are saying about Bob Lee Swagger thrillers: Stephen Hunter's I, Sniper brings back one of the great characters in modern thrillerdom. Bob Lee Swagger, everyone's favourite lethal, dour Southerner. I kind of want Swagger to meet up with Lee Child's Jack Reacher one day, in a contest to see who could say the least while doing the most damage.' Malcolm Gladwell 'The tension never lets up' New York Times 'Stephen Hunter is an Elmore Leonard on steroids' John Sandford 'As all Bob Lee fans know, it comes down to 'straight killing time'. And so it does, in a ramped-up, high-tech High Noon finale. As always, Hunter makes it work with precise, detail-rich prose that strips the faux glamour from gun fighting and leaves only the skills of the combatants set against the horrors they wreak.' Booklist 'Hunter is back at the top of his game.' Publisher's Weekly 'In his guns-a-poppin' latest, Hunter pits his series hero against a nest of sharp-shooting vipers. Dust off the OK Corral. Even the somewhat squeamish, and even certifiable gun-dummies, may once again find chivalric, heroic Bob Lee just about irresistible.' Kirkus Reviews 'Hunter's thrillers are always taut, exciting, and well written, and his latest is no exception. There's also a lot of gun and tech talk as Swagger uses decades' worth of skills to stay a step or three ahead of the baddies. Swagger fans will not be disappointed.' Library Journal 'Hunter has a unique writing style that thrills and captivates from the opening scene to deliver an exciting whodunit' The Sun 'Stories of passion, guilt and redemption that jump right off the page and smack the reader clean between the eyes' Independent on Sunday 'American hardboiled at its very best, full of tacturn and stoical characters and plotting in explosive overdrive' The Times 'Hunter choreographs the violence in steely prose and Swagger ... remains one of crime fiction's most engaging heroes' Irish Independent
