How to Attract Men Worth Dating and Get the Guy You Really Want When it comes to finding a suitable mate for a passion filled, committed relationship, one of the things men want most in a woman is self-possession, or said another way, womanly poise. When high-quality men come across a woman with poise they crave her respect, her approval, and most importantly, her love. Men like this understand that a woman's poise reflects her self-worth. And they know that a woman can only act with poise when she's placed a higher importance on her dignity and well-being than she does on ANY man. It is this unique female attitude that drives a man wild with sustainable desire, the kind of desire that makes him eager to commit to a woman and claim her as his own. How to Attractively Set Standards with a Man and Make Him Want You Even More When a woman lacks poise she generally gives too much of herself, and usually at the most ineffective times when dating a man. She is too lenient with men in the beginning stages of a new romance, and she's prone to compromising her standards just to keep a man in her life. Women like this unknowingly chase men, as they become frantic, frustrated, and foolhardy whenever the guy they want begins to pull away or lose interest in them. A woman with poise never chases or throws herself at a man, nor does she make things easy for him by clearing her schedule "just in case" he calls or comes around. Instead, a woman with poise maintains her mystery, sticks to her standards, and uses her feminine charms to invite men to either pursue her passionately or leave her alone. How to Date like a High-Value Woman and Be Irresistible to Mr. Right It's easy to show class and character when things are going your way with a guy. But your ability to remain unfazed amid his disrespect or disinterest is what really helps him determine whether you are a high-value woman or not. A man will not always act in ways that are favorable to you. Sure, some men are scumbags, but not all men who act thoughtlessly towards you should be categorized this way. Therefore, if you want to separate the good guys from the time wasters it's important to act with poise. This book was designed for women who want to go from being powerless to being irresistible to men. In it, you'll discover the secrets to having more confidence and power with men and dating as you learn the beliefs, attitudes, dating rules, "love habits", and seduction secrets of the high-value woman. Here's what you're going to learn inside: What to say when you want to "slow things down" with a guy without losing his interest in you. The most seductive first date "good deed" that can CAPTURE a man's desire and make him desperate to see you again. The #1 key to conquering a man's heart during the early dating stages. (This is something most women only figure out after YEARS of painful trial and error.) How to get a boyfriend by avoiding a HUGE relationship-killing mistake most women make within the first few weeks of dating. The single most irresistible feminine attitude that easily overwhelms a man's emotions and makes it IMPOSSIBLE for him to get you off

his mind. How to get a man to treat you like a top priority (instead of his Plan B) once you start dating him. How to maintain the "Queen's Composure" when men pull away and how to use it to make the good ones come RUNNING back to you. The "dating rules" high-value women use to quickly eliminate players and find Mr. Right. And much, much more... Would You Like to Know More? Discover How to Get the Guy You Want and Avoid Dead-End Relationships If a man doesn't take you seriously he may feel compelled to have a good time with you. Unfortunately, this good time will last until you finally realize you're being taken for a ride or until Mr. Time-Waster moves on to the woman he REALLY wants. In cases like this, what a woman really requires are two things: a healthy amount of self-respect and a set of "player-proof" dating rules that will allow her to make wise dating decisions as she navigates the treacherous territory of finding Mr. Right. How to Keep a Man Interested Without Playing Games or Becoming His Doormat Many dating advice books for women tout the idea that a high level of confidence is key when dealing with men. However, while this is partially true, being confident, at least in regards to making a man pursue you, is pointless without understanding how to apply that confidence in various dating situations when dealing with men. A woman's confidence is communicated to a man by what she stands for and what she doesn't. Being able to confidently socialize with men, having confident body language, and illustrating confidence in your femininity will only go so far if you still allow men to have their way with your emotions, time, affections, body, and anything else for that matter. Self-confidence makes a woman more attractive, but unless it effects how she enforces her personal boundaries it won't do anything to keep a man interested in her for the long-term. How to Date a Man to Keep Him Calling and Falling For You Women with strong personal boundaries are principle-centered, not men-centered or romance-centered. To them, their personal values, such as giving and receiving unconditional love, are more important to them than needing to be with any one particular guy. When a woman has strong personal boundaries she doesn't make excuses because of a man's handsomeness, status, wealth, race, background, promises, sexual chemistry, etc. She sticks to her guns and refuses to settle for dating situations that might cause her distress or jeopardize her future happiness. This book was designed to show women how men appraise female behavior in order to determine a woman's level of self-respect and therefore, her value as a romantic partner. In it, you'll discover the timeless seduction secrets and dating rules for women that will help you avoid those dating mistakes that make could make a woman appear desperate, needy, commonplace, or even "unqualified" for a serious commitment to a great guy. Here's what you're going to learn inside: The most powerful form of male seduction that can KEEP a woman helplessly "addicted" to chasing a man. How to keep a man interested by doing the one thing MOST women are terrified of doing when they find a great guy. An irritating habit that causes high-quality men to stop pursuing a woman almost INSTANTLY. How to "rebuff" undesirable male behavior and get the guy you want to either take you seriously or take a HIKE! A simple "Ego-Popping" phrase that burns into a man's memory, keeps you STUCK on his mind, and makes him DESPERATE to see you again. How to seduce a man and MELT his heart by overwhelming him with the ONE THING only the RIGHT woman can give him. A dangerous and common dating mistake that FORCES a man to disappear or "log out" of a relationship...for GOOD. Foolproof dating rules for women (the "Nice Girls") who feel that men CONSTANTLY take advantage of their love and kindness. And much, much more... Would You Like to Know More? What to Text Him Back to Keep Him Hooked and Make Him BEG to See You Again Did you know that men secretly use texting as a way to "pre-screen" a woman's romantic value? A woman's texting habits can reveal a lot about her self-worth, confidence, intelligence, and even her level of class and emotional maturity. Because guys covertly appraise a woman's relationship potential this way, many women often have no idea that the way they communicate via text is actually sending the wrong message and thus, they unknowingly end up chasing men away. Discover the Secrets of Texting Men to Effortlessly Stand Out from EVERY Other Woman Men have their own unique way of interpreting a woman's communication attempts. Therefore, although many women mean well, they often do things when texting men that sometimes makes them appear too easy, too needy, too bossy, or too boring...even if these things aren't necessarily true about them. Texting is the one medium of communication in which a great guy can easily get the wrong idea about you. And as these wrong ideas pile up inside his mind, they usually coalesce into a single romance-killing thought: That he can do better than you. So, what's a girl supposed to do then? Simple really. All she needs to do is understand exactly how men appraise female texting habits and how to use this knowledge to differentiate herself as being a high-value woman. Doing so will make it easy for her to stand out from EVERY other woman who texts him. How to Use Texting to Tease, Flirt, and Entice Your Way into Becoming His TOP Priority If you want to arouse the kind of long-term desire in a man that makes him eager to pursue you for dates, romance, commitment, and more, you must take advantage of texting and use it to make subtle and seductive displays of your high-status, and thus, your high-value. Fortunately, this is exactly what you're going to learn in, Texts So Good He Can't Ignore! In this fun and insightful dating book, you'll learn the texting habits of high-value women and gain access to a vast collection of irresistible, man-melting text messages that make men EAGER to text you back and desperate to see you again. And because this in-depth guide focuses on how men think (unlike most dating books for women), it will give you a distinct advantage over your peers when it comes to texting men. Here's what you're going to learn inside: Exactly what to text a guy when he's stringing you along and only doing the BARE MINIMUM to keep you interested. Discover the Most Common Dating "Red Flags" that Scare Good Men Away Commitment-ready, relationship-minded men have a low tolerance policy for any factor that might make a woman appear "unequipped" to take on a serious relationship. Just like the goodhearted women who want nothing more than to find the right man to love and someday build a life with, relationship-minded men want desperately to avoid falling in love with someone that could make their life a living hell. Because of this, guys like this are VERY discriminating when assessing a woman's long-term relationship potential. And they won't think twice about dismissing a woman once they realize she's not really "Girlfriend Material", and thus, not worth their time and attention. Relationship-minded men are less likely to waste a woman's time because their time is extremely precious to them. Because they value commitment, relationships, social and family ties very highly, they date with the intention of finding a woman they can someday build a life with. Discover the Hidden Factors Men Use to Determine if a Woman is Worth Dating As a man matures he becomes less trusting of a woman's physical beauty and charm. Instead, when evaluating her long-term relationship potential, he places greater attention on the quality of her personal character (or lack thereof), as well as those things that have a direct or indirect influence upon her character; such as the people, places, and things in her life. After a woman has passed a man's physical appearance test, he will gauge her level of chemistry with him (the way she makes him feel). And once a man realizes that he has a good enough amount of chemistry with a woman, over time he will slowly evaluate various aspects of her character in order to determine if she is, in fact, a woman worth dating for long-term love and perhaps even marriage. How to Avoid Chasing Men Away and Finally Get the Relationship You Want Because commitment-minded men are more likely to assess a woman's relationship potential based on her character rather than her physical appearance or interpersonal chemistry alone, this short and concise book focuses on the most common deal-breaking "red flags" that stem from a woman's character (as well as those things that affect her character). This book was designed to provide women with an inside look at how men think and what men want in a woman when they're ready for a serious relationship. In it, you're going to see things from a man's point of view, as you discover the various aspects

How to Tell if a Man Wants You for a Lifetime or Only for the Moment Men don't really have "commitment issues." At least, not in the way most women think men do. When a man tells you he has "commitment issues", there's a good chance that what he REALLY means is he's not that interested in you and is just using you to pass time with until he meets someone "better." When a man isn't interested in a relationship with you, his "commitment issues" are nothing more than an excuse to waste your time and reap the benefits of your decision to stay with him in order to "see where this thing goes." It's at this point where many women make one of the worse dating decisions possible, as they choose to remain with a half-interested man, hoping that over time they'll be able to "lull" him into a serious commitment. The Biggest Reason Why Men Pull Away and Suddenly Lose Interest Women often wonder why men pull away and lose interest in a blossoming romance without so much as a warning. Though there could be a ton of reasons why a man might pull away, the most common reason for his loss of interest is this: he wasn't THAT interested in you to begin with. In general, even though men are more than able to commit to a woman once certain conditions in their life are met, they will not directly inform you when you're not the right girl for them or that now isn't the right time for them to take a woman seriously. And because men are far more opportunistic when it comes to dating, a lot of guys won't hesitate to take advantage of a dating situation that reaps high rewards with as little effort possible. How to Avoid Dating Men Who Will Keep You Unloved and Perpetually Unclaimed No matter which way you look at it, even though men don't really have commitment issues, they don't find it necessary or in their best interest to inform a woman when she's nothing more than a beautiful distraction, a way to earn the respect of his peers, or just a target to sharpen his seduction skills so that he'll be primed and ready when a "better" woman comes along. This is the ugly truth, but there's hope. In this book, you'll get an inside look at how a man thinks and interacts with a woman when he's not that interested in her. This sort of male behavior is actually easy to spot IF you know what to look for. It's extremely difficult for a man to waste your time and treat you like a short-term plaything without exhibiting certain unmistakable behaviors that clearly communicate that he's trying to keep you interested...but unclaimed. Here's what you're going to learn inside: The seductive language men use when they want to discourage you from wanting a COMMITTED relationship. How quickly learning this ONE thing about him can tell you if he's "unequipped" to handle a serious relationship. The pattern in a man's dating history that IMMEDIATELY reveals if he's a commitment-phobic time waster. How to avoid being confused by men who might love you tenderly, but would NEVER make you their girlfriend. How to stop losing sleep wondering "DOES HE LIKE ME?" and get him to either take you seriously or take a hike! How observing this simple behavior reveals if he thinks you're "THE ONE" or just "Some One" to pass time with until he finds his Ms. Right. The relationship red flags for recognizing a DEAD ON ARRIVAL romance so you don't end up wasting your time. How to tell if a man is still secretly IN LOVE with his ex and is only one sad love song away from abandoning YOU for HER. And much, much more... Would You Like to Know More?
