LAGOS State governor Babajide Sanwo-Olu presents the 2021 budget documents to the state house of assembly on Wednesday, November 10, 2020.

God still performs miracles. He wants you to experience them in your life right now! Audacity is defined as intrepid boldness. The word itself implies that one has stepped from the ranks of convention and normal expectation into daring, uncharted territory. This is especially so with regard to prayers.

The Audacity of Prayer shares the stories of modern-day miracles that have occurred as a result of bold, daring, courageous prayers, including when: God spared a logger crushed by an enormous tree Unborn twins given no chance for life were healed A minister was healed from sudden, massive heart failure A woman conceived after audacious prayers A pastor outlived terminal leukemia by more than fifty years Let these stories serve as your encouragement and example. How much worse could it get for me? After several failed marriages, unemployment, and the threat of losing my house a few years ago, I had to turn to God for a 911 intervention. At that point in time, I just lost my job and my ex-wife had just moved out with all her furniture, including the accessories and mattress. I thought I had reached my limit, but with Gods grace I bounced back and refused to be defeated. One of the greatest lessons learned then is to stay faithful to God, hold on to Him because He's the only one that could help me throughout my days in the wilderness. The

Audacity of Gods power shows how toughness of a man or woman cannot be measured through their physical stature, but rather the ability to stay strong and reach-out to God for assistance. Challenges are inevitable, they are like the weather or a season, no matter how undesirable they appear at one point. A better one will surely replace the not too great ones. As for me, it was my willingness to ask for Gods help that ultimately saved me and allowed Him to go the extra mile for me and my family.

In this powerful and motivating book,

international pastor Phil Pringle invites readers to activate their spiritual lives by understanding prayer as a journey to the highest places of God. He sees prayer as an "art," a craft to be developed and nurtured. Prayer is much more than muttering religious words; it is a connection with the God of heaven Himself. Too often, believers fail to bridge the gap between earth and heaven, but active prayer releases the spirit into communion with God in another world: His world. As readers grow, they will draw close to a loving God who desires relationship with all who are made in His image. Moreover, when

we pray in close contact with God, we see greater results on earth and in our lives. Pringle appeals to the imagination and the soul, and all who engage with these visionary teachings will discover a new dimension to the act and the art of prayer.

Shameless Persistence - The Audacity Of Purposeful Praying was born out of a desire and a recognition that this approach to prayer in no way impinges or compromises on the sovereignty of God. Quite the contrary, God expressly desires and encourages this approach, 'for men ought always to pray and

not to lose heart.' The greatest need of prayer at all times is the intrinsic quality called Passion. The single greatest motivation to pray is defined by that word. It is the intention of the author that by reading this book, you will be engulfed with the flames of desire and consumed by a passionate need to pursue God, expectantly awaiting the outcome of such encounters. Be encouraged us to ask and keep asking unrelentingly, never wilting under pressure or in the face of a crisis. Be confident that God who knows what we have need of before we ask is benevolent and reliable. We dare to

MARY MROZOWKI WAS AN ORDINARY NEW YORKER WHO BECAME EXTRAORDINARY. The Audacity to be Divine is a revelatory tale of transformation, resilience and unparalleled truth-seeking. strove for redemption against all odds -- transcending as a social activist, international organizer, and spiritual leader for the masses. Mary was able to transcend worlds. Having integrated Christian modalities with Eastern philosophies, she established a lay monastic house of contemplation called "Chrysalis House." She mingled as an equal with spiritual and religious leaders, companions and strangers. As her teachings led her across five continents, thousands followed, considering her a modern day saint, role model for transformation, and sage for self-
