Simply Gothic: Poe's "Black Cat" retold
Simply Gothic is a new series I've started, in which I'm lyrically retelling some of my favorite masterpieces of short Gothic fiction. As much as I appreciate the brilliant prose of writers like Herman Melville, Edgar Allan Poe and Nathaniel Hawthorne, their expansive vocabulary and convoluted syntax is sometimes a bit much for the younger reader.

The Black Cat. The Black Cat. by Edgar Allan Poe retold by David Wharry. You are not going to believe this story. But it is a true story, as true as I sit here writing it — as true as I will die in the morning. Yes, this story ends with my end, with my death tomorrow. I have always been a kind and loving person — everyone will tell you this.

The Black Cat

It was a black cat— a very large one— fully as large as Pluto, and closely resembling him in every respect but one. Pluto had not a white hair upon any portion of his body; but this cat had a large, although indefinite splotch of white, covering nearly the whole region of the breast.

"The Black Cat" is a short story by American writer Edgar Allan Poe. It was first published in the August 19, 1843, edition of The Saturday Evening Post. It is a study of the psychology of guilt, often paired in analysis with Poe's "The Tell-Tale Heart". In both, a murderer carefully conceals his crime and believes himself unassailable, but eventually breaks down and reveals himself, impelled by a nagging reminder of his guilt.

A level 3 Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read. Retold for Learners of English by Margaret Naudi. The human mind is a dark, bottomless pit, and sometimes it works in strange and frightening ways. That sound in the night . . . is it a door banging in the wind, or a murdered man knocking inside his coffin? The face in the mirror . . . is it yours, or the face of someone standing behind you, who is never there when you turn round? These famous short stories by Edgar Allan Poe, that master of horror, explore the dark world of the imagination, where the dead live and speak, where fear lies in every shadow of the mind . . .
