Coming in 2021: AP® Literature and ... - The Critical Reader  
Erica Meltzer has written the definitive work on SAT's Critical Reading. As a long time test prep coach and former English teacher, I've read just about every book out there on the subject. There are a few that are pretty good, while most are superficial, vague space-fillers included only to sell the rest of the SAT prep guide.

concept individually. In addition, sample essays accompanied by detailed scoring analyses demystify the College Board rubric and help students master the components necessary to produce a high-scoring response.

SAT Vocabulary: A New Approach covers key vocabulary for the Reading test, Writing and Language test, and Essay of the redesigned (2016) SAT. Written by two leading test-prep authors, this book offers an approach that is aligned with the new SAT's focus on vocabulary in context. Rather than provide long lists of words and definitions for students to memorize, it features thorough explanations of the various contexts in which vocabulary is tested, then gives students the opportunity to practice applying knowledge via carefully sequenced series of exercises.

students to apply the strategies and techniques outlined in this book to College Board material while focusing on the specific areas in which they need to improve, this book also includes a list of all the Critical Reading questions in the Official College Board Guide, 2nd Edition (2009), grouped both by category and by test. It is also recommended that students use this book in conjunction with *They Say/I Say: The Moves that Matter in Academic Writing* (<http://www.amazon.com/They-Say-Academic-Writing-Edition/dp/0393935841>). More about *The Critical Reader: The result of nearly a decade's worth of tutoring experience*, *The Critical Reader* grew out of three major observations: 1) The SAT is a test about arguments. 2) The SAT represents most high school students' first encounter with college-level reading. 3) Every passage has two authors: the author of the passage and the author of

## Download Ebook The Critical Reader Erica Meltzer

the test. The Critical Reader is the only book that approaches the SAT from a college perspective while simultaneously breaking down and reinforcing the reading skills that the highest scorers take for granted. Many students preparing for the SAT find Critical Reading both frustrating and baffling because it seems unrelated to the work they do in high school English class. In reality, though, the SAT tests skills that are important for college. Critical Reading passages are based on the type of academic "conversation" on which college reading is based -- reading that requires students to juggle multiple viewpoints within the space of a few paragraphs, all while navigating challenging vocabulary and sentence structure as well as unfamiliar and sophisticated concepts. Building on the templates in Gerald Graff and Cathy Birkenstein's *They Say/I Say: The Moves that Matter in Academic Writing*, *The Critical Reader*

## Download Ebook The Critical Reader Erica Meltzer

teaches students to use a variety of textual clues to identify key information and distinguish between ideas that the author agrees with and ones that the author disagrees with. Unlike other guides, which rely primarily either on works whose copyright has expired (outdated, hard in the wrong way) or on passages written specifically for that prep book (too straightforward), The Critical Reader aims to prepare students for exactly what they will find on the actual test. All of the passages are excerpted either from books/articles by authors whose work has appeared on College Board exams, or from recent works whose content/style are reflective of the material on the exam. Finally, The Critical Reader teaches students to "read the SAT" -- that is, to use the patterns inherent in the test to identify answers likely to be correct and incorrect with maximum efficiency, and to reduce the test to its

simplest terms.

Comprehensive guide to GRE Text Completions and Sentence Equivalences, including in-depth strategies, high-frequency word lists, and more than test-style 300 practice questions.

The Complete GMAT Sentence Correction Guide offers a thorough review of all the major grammatical concepts tested on the Sentence Correction portion of the GMAT. Each chapter is accompanied by a rigorous set of exercises, allowing students to practice recognizing as well as correcting errors presented in a variety of ways. To help students transfer their skills to the exam, this book also contains 150 GMAT-style multiple-choice questions accompanied by thorough explanations.

Note: Some minor updates were made to this book on 4/27/16. Written by a top tutor whose students regularly achieve ACT English scores in the mid-30s, *The Complete Guide to ACT English* is the only book that offers a comprehensive review of all ACT grammar and rhetoric topics. Includes step-by-step explanations of errors in all their forms; dozens of ACT-style exercises that help you move from understanding rules to applying them in context; and cumulative reviews that allow you to practice a progressively wider range of concepts in a passage. Also includes a complete index of English questions from *The Real Guide to the ACT*, grouped both by topic and by test. Errata: p. 36, question 5.2: answer should be F
