Minimalism and the Simple Life Author and YouTuber, Zoey Arielle, opens up about her struggle with loving all the things in life we bring home. A hoarder in disguise, Arielle has mastered the tools needed to embrace simplicity and the minimalist philosophy. Minimalism guide. It’s natural to love stuff! More than that, it’s natural to love your stuff. That notebook from 8th grade, your Disney VHS, mismatched socks. They all have sentimental value...and they all take up space. Zoey Arielle Poulsen’s The Joy of Minimalism is the friendly guide you’ve been searching for as you embark on a life of simplicity. Life can stress anyone out. So, by embracing minimalism, you’ll be saying goodbye to stress and everything that you never needed anyway. Discover a greater focus and true freedom as you live your new life with a real sense of gratitude for everything and everyone around you. Enjoy the simple life. In The Joy of Minimalism Poulsen shows you how to simplify the act of letting go while sharing her personal journey into this calmer sense of life. Beyond offering specific tips on transitioning, she also invites you to journal your new awakening. Minimalism is more than a movement or fad, it’s a sense of happiness and practice that will bring you closer to your true self. The Joy of Minimalism teaches you to live better with less. You’ll learn how to: Rediscover the freedom of owning less Embrace life and all the non-material things the world has to offer Master your own personal style for organizing and decluttering Celebrate your new life with a free mind If you have read hoarding and decluttering books such as Decluttering at the Speed of Life, What Your Clutter is Trying to Tell You, or The Clutter Connection, you will love The Joy of Minimalism.

Francine Jay pioneered the simple living movement with her self-published bestseller, The Joy of Less. In this fully redesigned and repackaged edition—featuring never-before- seen content—Jay brings her philosophy to more readers who are eager to declutter. Rather than the "crash diet" approach found in other tidying up books, Jay shares simple steps to cultivate a minimalist mindset and form new habits, paving the way to lasting success. Her easy-to-follow STREAMLINE method works in any space—from a single drawer to a closet, room, or entire house. What’s more, it can be called upon during clutter-inducing life events such as moving, getting married, having kids, or downsizing. With an airy two-color interior design and lovely hardcover package, The Joy of Less is a refreshing and relatable approach to decluttering that belongs in every home.

Minimalism is the thing that gets us past the things so we can make room for life’s most important things—which actually aren’t things at all. At age 30, best friends Joshua Fields Millburn & Ryan Nicodemus walked away from their six-figure corporate careers, jettisoned most of their material possessions, and started focusing on what’s truly important. In their debut book, Joshua & Ryan, authors of the popular website The Minimalists, explore their troubled pasts and descent into depression. Though they had achieved the American Dream, they worked ridiculous hours, wastefully spent money, and lived paycheck to paycheck. Instead of discovering their passions, they pacified themselves with ephemeral indulgences—which only led to more debt, depression, and discontent. After a pair of life-changing events, Joshua & Ryan discovered minimalism, allowing them to eliminate their excess material things so they could focus on life’s most important "things": health, relationships, passion, growth, and contribution.

The best-selling phenomenon from Japan that shows us a minimalist life is a happy life. Fumio Sasaki is not an enlightened minimalism expert or organizing guru like Marie Kondo—he’s just a regular guy who was stressed out and constantly comparing himself to others, until one day he decided to change his life by saying goodbye to everything he didn’t absolutely need. The effects were remarkable: Sasaki gained true freedom, new focus, and a real sense of gratitude for everything around him. In Goodbye, Things Sasaki modestly shares his personal minimalist experience, offering specific tips on the minimizing process and revealing how the new minimalist movement can not only transform your space but truly enrich your life. The benefits of a minimalist life can be realized by anyone, and Sasaki’s humble vision of true happiness will open your eyes to minimalism’s potential.

Bring Minimalism to Your Home, Work, and Relationships Discover how to apply the minimalist mindset to every aspect of your life by changing the way you think about your home, career, relationships, family, and money. Life is weighing us down. Each day we add more possessions, more commitments, more worries, more stress to our lives. Striving for fulfillment, our closets become overstuffed, our calendars overscheduled, and our spirits overwhelmed. Instead of feeling happy, we just feel heavy. Lightly offers help. Whether you want to strip down your life to a backpack or free up some space in your closet, overhaul your schedule or gain back an hour in the evening, Lightly helps you identify what you treasure, while letting what’s unnecessary fall away. You will learn to lighten: Your Stuff: advice on how to declutter what’s weighing you down Your Spirit: release the worries and emotional baggage that can be just as burdensome as possessions Your Stress: reclaim your time and strive not to get more done, but to have less to do Your Step: reduce your consumption and make the planet as beautiful and clutter-free as your home Without a strict regimen, Lightly puts the power back in your hands to take control of your life.

New York Times Book Review Editor’s Choice "More than just a story of an abiding cultural preoccupation, The Longing For Less peels back the commodified husk of minimalism to reveal something surprising and thoroughly alive." -Jenny Odell, author of How to Do Nothing “Less is more”: Everywhere we hear the mantra. Marie Kondo and other decluttering gurus promise that shedding our stuff will solve our problems. We commit to cleanse diets and strive for inbox zero. Amid the frantic pace and distraction of everyday life, we covet silence-and airy, Instagrammable spaces in which to enjoy it. The popular term for this brand of upscale austerity, “minimalism,” has mostly come to stand for things to buy and consume. But minimalism has richer, deeper, and altogether more valuable gifts to offer. Kyle Chayka is one of our sharpest cultural observers. After spending years covering minimalist trends for leading publications, he now delves beneath this lifestyle’s glossy surface, seeking better ways to claim the time and space we crave. He shows that our longing for less goes back further than we realize. His search leads him to the philosophical and spiritual origins of minimalism, and to the stories of artists such as Agnes Martin and Donald Judd; composers such as John Cage and Julius Eastman; architects and designers; visionaries and misfits. As Chayka looks anew at their extraordinary lives and explores the places where they worked-from Manhattan lofts to the Texas high desert and the back alleys of Kyoto-he reminds us that what we most require is presence, not absence. The result is an elegant new synthesis of our minimalist desires and our profound emotional needs.

DISCOVER HOW TO LIVE A SIMPLER AND HAPPIER LIFE OF A MINIMALIST! You are about to learn how to live a much simpler and happier life through minimalism. Living in today's world has never been more complex than it is now. Most of us live in a world of expanding social media, materialism, debt, and stress. Children add joy, purpose, and meaning to our lives. They provide optimism, hope, and love. They bring smiles, laughter, and energy into our homes. They also add clutter. As parents, balancing life and managing clutter may appear impossible—or at the very least, never-ending. But what if there was a better way to live? Clutterfree with Kids offers a new perspective and fresh approach to overcoming clutter. With helpful insights, the book serves as a valuable resource for parents. Through practical application and inspirational stories, Clutterfree with Kids invites us to change our thinking, discover new habits, and free our homes. It invites us to reevaluate our lives. And it just may inspire you to live the life you’ve been searching for all along.
