Camulodunum
(Colchester),
Londinium
(London), and
Verulamium (St
Albans), destroyed
part of a Roman
legion, and caused
the deaths of an
untold number of
veterans, families,
soldiers, and

Acces PDF The Land Of

Britons. Yet with one decisive defeat, her vision of freedom was destroyed, and the Iceni never rose again. Boudica: Warrior Woman of Roman Britain introduces readers to the life and literary importance of Boudica through juxtaposing her

Acces PDF The Land Of

different literary characterizations with those of other women and rebel leaders. This study focuses on our earliest literary evidence, the accounts of Tacitus and Cassius Dio, and investigates their narratives alongside material evidence of late

Acces PDF The Land Of

Iron Age and early Roman Britain. Throughout the book, Caitlin Gillespie draws comparative sketches between Boudica and the positive and negative examples with which readers associate her, including the prophetess Veleda,

Acces PDF The Land Of

the client queen
Cartimandua, and
the rebel
Caratacus. Literary
comparisons assist
in the
understanding of
Boudica as a
barbarian, queen,
mother,
commander in war,
and leader of
revolt. Within the
ancient texts,

Acces PDF The Land Of

Boudica is also used as an internal commentator on the failures of the emperor Nero, and her revolt epitomizes ongoing conflicts of gender and power at the end of the Juilio-Claudian era. Both literary and archaeological sources point

Access PDF The Land Of

towards broader issues inherent in the clash between Roman and native cultures. Boudica's unique ability to unify disparate groups of Britons cemented her place in the history of Roman Britain. While details of her life remain elusive, her literary

Acces PDF The Land Of

Character still has
more to say.

Boudicca Prehistoric And Roman Norfolk

Boudicca
(Boadicea), Leader
of the Iceni, is
synonymous with
rebellion and
feminine strength,
yet what we know
of her is often far
removed from the
time in which she
lived and the early

Acces PDF The Land Of

authors who first wrote about her. In this new study, Marguerite Johnson returns to the original sources and interrogates them in order to unearth what the ancients thought of this most enigmatic heroine of British freedom. After a concise

Acces PDF The Land Of

overview of
Boudicca and the
British rebellion
against Rome, she
turns to the
writings of Tacitus
and Dio and
provides an in-
depth analysis of
their views on
Boudicca and her
people. These
readings, which
form the

Acces PDF The Land Of

centrepiece of the book, are followed by an insightful series of readings of Boudicca post-antiquity, including the scant references to her in the writings that emerged after the fall of the Roman Empire to the most modern re-workings of this

Acces PDF The Land Of

most fascinating of
historical icons.

This volume
connects Celtic art
to its
archaeological
context, looking at
how it was made,
used, and
deposited. Based
on a
comprehensive
database, it brings

Acces PDF The Land Of

together current theories concerning the links between people and artefacts, arguing that Celtic art was used to negotiate social position and relations in an unstable Iron Age world.

This book explores

Acces PDF The Land Of

the development of territorial identity in the late prehistoric, Roman, and early medieval periods. Over the course of the Iron Age, a series of marked regional variations in material culture and landscape character emerged across eastern

Acces PDF The Land Of

England that
reflect the
development of
discrete zones of
social and
economic
interaction. The
boundaries
between these
zones appear to
have run through
sparsely settled
areas of the
landscape on high

Acces PDF The Land Of

ground, and corresponded to a series of kingdoms that emerged during the Late Iron Age. In eastern England at least, these pre-Roman socio-economic territories appear to have survived throughout the Roman period despite a trend

Acces PDF The Land Of

towards cultural
homogenization
brought about by
Romanization.

Although there is
no direct evidence
for the relationship
between these
socio-economic
zones and the
Roman
administrative
territories known
as civitates, they

Acces PDF The Land Of

probably
corresponded very
closely. The fifth
century saw some
Anglo-Saxon
immigration but
whereas in East
Anglia these
communities
spread out across
much of the
landscape, in the
Northern Thames
Basin they appear

Acces PDF The Land Of

to have been restricted to certain coastal and estuarine districts. The remaining areas continued to be occupied by a substantial native British population, including much of the East Saxon kingdom (very little of which appears to have been

Acces PDF The Land Of

'Saxon'). By the sixth century a series of regionally distinct identities - that can be regarded as separate ethnic groups - had developed which corresponded very closely to those that had emerged during the late prehistoric and

Acces PDF The Land Of

Roman periods.

These ancient regional identities survived through to the Viking incursions, whereafter they were swept away following the English re-conquest and replaced with the counties with which we are familiar today.

Acces PDF The Land Of Boudica

This book
demonstrates and
analyzes patterns
in the response of
the Imperial Roman
state to local
resistance,
focusing on
decisions made
within military and
administrative
organizations
during the

Acces PDF The Land Of

Principate. Through a thorough investigation of the official Roman approach towards local revolt, author Gil Gambash answers significant questions that, until now, have produced conflicting explanations in the literature: Was

Acces PDF The Land Of

Rome's rule of its empire mostly based on oppressive measures, or on the willing cooperation of local populations? To what extent did Roman decisions and actions indicate a dedication towards stability in the

Acces PDF The Land Of

provinces? And to what degree were Roman interests pursued at the risk of provoking local resistance?

Examining the motivations and judgment of decision-makers within the military and administrative organizations – from the emperor

Access PDF The Land Of

down to the
provincial
procurator - this
book reconstructs
the premises for
decisions and
ensuing actions
that promoted
negotiation and
cooperation with
local populations. A
ground-breaking
work that, for the
first time, provides

Acces PDF The Land Of

a centralized view
of Roman
responses to
indigenous revolt,
Rome and
Provincial
Resistance is
essential reading
for scholars of
Roman imperial
history.

Twenty-one
contributions,

Page 77/94

Access PDF The Land Of

written by friends
and colleagues,
reflect the wide
interests of
Professor Michael
Vickers; from the
Aegean Bronze Age
to the use made of
archaeology by
dictators in the
modern age. Seven
contributions relate
to Georgia, where
the Professor has

Acces PDF The Land Of

worked most
recently, and made
his home.

Roman Norfolk

The purpose of this
book is to take
what we think we
know about the
Roman Conquest of
Britain from
historical sources,
and compare it
with the
archaeological

Acces PDF The Land Of

evidence, which is often contradictory.

Archaeologists and historians all too often work in complete isolation from each other and this book hopes to show the dangers of neglecting either form of evidence. In the process it

Acces PDF The Land Of

challenges much
received wisdom
about the history of
Roman Britain.

Birgitta Hoffmann
tackles the subject
by taking a number
of major events or
episodes (such as
Caesar's
incursions,
Claudius' invasion,
Boudicca's revolt),
presenting the

Acces PDF The Land Of

accepted narrative as derived from historical sources, and then presenting the archaeological evidence for the same. The result of this innovative approach is a book full of surprising and controversial conclusions that will appeal to the

Acces PDF The Land Of

general reader as well as those studying or teaching courses on ancient history or archaeology.

Within the colonial history of the British Empire there are difficulties in reconstructing the lives of people that

Acces PDF The Land Of

came from very different traditions of experience. The Archaeology of Roman Britain argues that a similar critical approach to the lives of people in Roman Britain needs to be developed, not only for the study of the local

Acces PDF The Land Of

population but also those coming into Britain from elsewhere in the Empire who developed distinctive colonial lives. This critical, biographical approach can be extended and applied to places, structures, and things which

Acces PDF The Land Of

developed in these provincial contexts as they were used and experienced over time. This book uniquely combines the study of all of these elements to access the character of Roman Britain and the lives, experiences, and identities of people

Acces PDF The Land Of

living there
through four
centuries of
occupation.

Drawing on the
concept of the
biography and
using it as an
analytical tool,
author Adam
Rogers situates the
archaeological
material of Roman
Britain within the

Acces PDF The Land Of

within the political,
geographical, and
temporal context of
the Roman Empire.

This study will be
of interest to
scholars of Roman
archaeology, as
well as those
working in
biographical
themes, issues of
colonialism,
identity, ancient

Access PDF The Land Of

history, and
classics.

When we think of Roman Britain we tend to think of a land of togas and richly decorated palaces with Britons happily going about their much improved daily business under the benign

Acces PDF The Land Of

gaze of Rome. This image is to a great extent a fiction. In fact, Britons were some of the least enthusiastic members of the Roman Empire. A few adopted roman ways to curry favour with the invaders. A lot never adopted a Roman lifestyle at

Access PDF The Land Of

all and remained unimpressed and riven by deep-seated tribal division. It wasn't until the late third/early fourth century that a small minority of landowners grew fat on the benefits of trade and enjoyed the kind of lifestyle we have

Acces PDF The Land Of

been taught to
associate with
period. Britannia
was a far-away
province which,
whilst useful for
some major
economic reserves,
fast became a
costly and
troublesome
concern for Rome,
much like Iraq for
the British

Acces PDF The Land Of

government today. Huge efforts by the state to control the hearts and minds of the Britons were met with at worst hostile resistance and rebellion, and at best by steadfast indifference. The end of the Roman Empire largely came as 'business

Acces PDF The Land Of

as usual' for the vast majority of Britons as they simply hadn't adopted the Roman way of life in the first place.
