Widely proclaimed a classic work of Christian faith, Life of Christ has been hailed as the most eloquent of Fulton J. Sheen's many books. The fruit of many years of reflection, prayer, and research, it is a dramatic and moving recounting of the birth, life, Crucifixion, and Resurrection of Christ, and a passionate portrait of the God-Man, the teacher, the healer, and, most of all, the Savior, whose promise has sustained humanity for two millenia. With his customary insight and reverence, Sheen interprets the Scripture and describes Christ not only in historical perspective but also in exciting and contemporary terms -- seeing in Christ's life both modern parallels and timeless lessons. His thoughtful, probing analysis provides new insight into well-known Gospel events. An appealing blend of philosophy, history, and biblical exegesis, from the best-known and most-loved American Catholic leader of the twentieth century, Life of Christ has long been a source of inspiration and guidance. For those seeking to better understand the message of Jesus Christ, this vivid retelling of the greatest story ever lived is a must-read.

Deriving insights from the life of Jesus in the Gospels, Klaus Issler uncovers the dynamics involved in truly becoming more Christlike. He shows how you can forge much deeper connections with Jesus. The result is a closer alignment between what you want to do as a follower of Jesus, what you actually do and who you are becoming in him.

Over six thousand years ago in the regions of the third heaven, a Triune council of the Holies, the Father, Son and Holy Spirit, brought about the creation of heaven and earth and all that was created in the six days as we have record of written in the Word of God. In the likeness of the Triune God was man created, being formed from the dust of the ground. God breathed into his nostrils the breath of life and man became a living soul. God planted a garden eastward in Eden and there he put the man whom he had formed. I have not the pen or vocabulary to describe the pristine beauty that this garden entailed prior to the first footprint impressed upon this sacred garden. Then God said. "it is not good that man should be alone", and He made a help meet for him, so the first parents perfect environment of no sin, no decay; a paradise for eyes to behold. But alas, sin entered and Adam and Eve were put out of the garden and we have the

fall of mankind; the fall of no hope. It had become certain that death would reign and only the Triune God had made plans for the redemption of mankind, all knowing that man would sin and fall victim to sin and that redemption plan was already decided beforehand in the regions of the third heaven long before man was created. The redemption plan was provided to come into the world as the Son of God, the hypostatic union, meaning Christ's humanity and divinity in one hypostasis, or individual existence, being born by a miraculous entry into the world. We will never understand how God and man could unite in one person. The deep things and mysteries of God are far beyond our horizon. Although He was in the likeness of men, that refers to the human nature. He was sinless and He appeared as man in looks and dress but was unlike the natural man in that sin was not an integral part in his unfallen human nature. He had to become man in order to die on the cross for you and me. But He did not diminish the Person. The two natures in Christ are not fused together, they remain distinct and different. Let me say He did not give up Deity or the use of His attributes of Deity. Read Isaiah 53:12. He poured out His soul unto death. None of Christ's divine attributes were relinquished. However, He obscured His majestic glory while embodied by the earthly body. Recorded in the four Gospels is what we have of the life of Christ on this earth. There is no complete biography that could ever be written of the life of Christ on the earth because there are so many details not given. The four Gospels give its own emphasis of how they described the works and life of Christ. The false teachings of cults and critics and evolutionary of man becoming gods is not what our Bible says; it is opposite the false teachings. The Bible says God became man, who was Jesus Christ, both man and God.

In this work Professor Harrison does not attempt to retell the events in Christ's life; rather, he analyzes the outstanding events and features of that life. He combines history, biblical theology, and apologetics in his study of the significant aspects of Christ's life.

"...not much has changed since Jesus gathered dust in the soles of his sandals on Palestinian soil. He is still the buzz at barber shops and corner cafes. He is still talked about and against. He pricks our curiosity, sparks our imagination, and even earns our ire. Who is he, really? You know he's no politician, but he still transforms nations. He's no social activist, but he is the genesis of who knows how many hospitals, orphanages, and innumerable acts of kindness. A psychotherapist? Hardly. But how many of us 'Humpty Dumpties' has he put back together again?! This peasant carpenter has built himself a kingdom immeasurably greater than his earthly enemies could have imagined. What are we to make of him? Please accept my deepest apologies right up front, for this book will not help answer that question. However, it may help answer this one: What is this man to make of me?"

Fulton J. Sheen turned his voice and pen to many subjects during the course of a long and remarkable apostolate. But nothing came closer to the core of his message than bringing the life and saving words of Jesus to the problems of modern life and the modern world. In *A Brief Life of Christ*, Sheen draws out the meaning of the life of Jesus for our time and shows how Christ issues His challenge alike to nations, peoples, and individual souls. The final chapters on Christ's public life, and Passion, Death, and Resurrection contain tremendous insights and provide material for a lifetime of reflection.
