Read Free The Pelican History

The Pelican History of England ran out to nine volumes and this, by A.R Myers, is the fourth instalment.

In less than 250 pages it packs a punch. The author seems to have had a knack for filtering out the waffle and getting down to the real core of the issues.

period from AD 43
until the fifth century.
This edition has been
revised in the light of
recent archaeological
research. A new
introductory chapter
looks at Britain before
the first Roman
invasion.

This is a description

Page 35/38

Read Free The Pelican History

of England during the two-and-a-half centuries since the Norman Conquest. A chronological setting is given to the developments of society during the period, by reference to political events of the time. The relations between the King, the nobles, the Church and the

Read Free The Pelican History

people are described and the author also sketches the stages by which departments of state evolved out of the individual authority of officers of the royal household, and parliament out of the King's control.
