Raven Boys turns out to be more interesting that I thought it would be. I was reluctant to start this series, not only that most of the hyped YA series always disappointed me, this one also seems like a book written specifically for girls. Don't kill me, here's the fact and statistic.

The Raven Boys has mystery, mythology, romance and a dash of the supernatural, but what will forever be its best quality are the characters. The dynamic between Blue and the raven boys is fascinating and their relationships only strengthen as the story progresses. There's: - Gansey, their leader, on the hunt for the missing Welsh King Glendower.

The fourth and final installment in the spellbinding series from the irrepressible, #1 New York Times bestselling author Maggie Stiefvater. All her life, Blue has been warned that she will cause her true love's death. She doesn't believe in true love and never thought this would be a problem, but as her life becomes caught up in the strange and sinister world of the Raven Boys, she's not so sure anymore. In a starred review for Blue Lily, Lily Blue, Kirkus Reviews declared: "Expect this truly one-of-a-kind series to come to a thundering close."

The third book in the mesmerizing RAVEN CYCLE quartet from bestselling author, Maggie Stiefvater. Fans of the SHIVER trilogy will love this new quartet!

Though she is from a family of clairvoyants, Blue Sargent's only gift seems to be that she makes other people's talents stronger, and when she meets Gansey, one of the Raven Boys from the expensive Aglionby Academy, she discovers that he has talents

This book consists of linguistic case-studies of selected features of the language and meter of Plautus. These phenomena are investigated for the light they can shed on the prosodic organization of Latin speech and the intersection between prosodic phonology and syntax; some are also placed in a broader comparative-historical context. Topics discussed include Meyer's and Luchs's laws, split resolutions, contraction of est (iis), enjambement, iambic shortening, and the pragmatic effects on the rhythmic organization of phrases.

The ebook of the stunning new novel from the bestselling author of SHIVER, LINGER AND FOREVER. Stay alive, stay astride, stay out of the water... Every November, the Scorpio Races are run beneath the chalk cliffs of Skarmouth. Thousands gather to watch the horses and the sea that washes the blood from the sand. The mounts are capaill uisce: savage water horses. There are no horses more beautiful, more fearless, more deadly. To race them can be suicide but the danger is irresistible. Sean Kendrick knows the dangers of the capaill uisce. With one foot in the ocean and one on land, he is the only man on the island capable of taming the beasts. He races to prove something both to himself and to the horses. Puck Connolly enters the races to save her family. But the horse she rides is an ordinary little mare, just as Puck is an ordinary girl. When Sean sees Puck on the beach he doesn't think she belongs. He doesn't realize his fate will become entwined in hers. They both enter the Races hoping to change their lives. But first they'll have to survive.

Grace is fascinated by the wolves in the woods behind her house; one yellow-eyed wolf in particular. Every winter, she watches him, but every summer, he disappears. Sam leads two lives. In winter, he stays in the frozen woods, with the protection of the pack. In summer, he has a few precious months to be human . . . until the cold makes him shift back again. When Grace and Sam finally meet, they realize they can't bear to be apart. But as winter nears, Sam must fight to stay human - or risk losing himself, and Grace, for ever.

Gilded Ashes is an atmospheric and darkly romantic reimagining of Cinderella set in the world of Cruel Beauty. Perfect for fans of An Ember in the Ashes and A Court of Thorns and Roses. Maia doesn't see the point of love when it only brings people pain: Her dead mother haunts anyone who hurts Maia, and her stepsisters are desperate for their mother's approval, even though she despises them. Meanwhile, Anax, heir to the Duke of Sardis, doesn't believe in love either—not since he discovered that his childhood sweetheart was only using him for his noble title. But when Maia's and Anax's paths cross before the royal ball, they discover that love might not be the curse they once thought. And it might even be the one thing that can save them both. Fans who love Kristin Cashore and Rae Carson will find everything they're looking for in this extraordinary and romantic novella Epic Reads Impulse is a digital imprint with new releases each month.
