"One of the finest and most delightful writers in romance." -Mary Jo Putney The traditional Regency classic from New York Times bestseller Loretta Chase is back...A Comedy of Manners...Her father's prodigal ways have forced the extremely lovely Alexandra Ashmore into an engagement with a strange man in a strange land: a man blind to the effect her unearthly beauty has on other men, and which has earned her the title "the English Witch"! So when she's kidnapped by another love-struck suitor, Alexandra assumes she's truly doomed to a loveless marriage with her captor. A Villain Redeemed...But her troubles have only begun--for although she's quickly rescued, her brave 'hero' is the notoriously irresistible, unrepentant scoundrel, Basil Trevelyan, who finds himself quite taken with the tart, spirited Alexandra. So taken, in fact, that he's determined to make her his own. Now, if he can only charm her into agreeing with his plan!

"One of the finest and most delightful writers in romance." -Mary Jo Putney A charming, traditional Regency romance from New York Times bestselling author, Loretta Chase! "What's gotten into you, dashing about to make a man's poor, tired head spin?... Oh, all right. I'll chase you if you like." He started to get up, changed his mind, and slumped back against the pillow. "Only it's such a bother." Catherine Pelliston has just escaped a forced marriage to an obnoxious friend of her unreliable father; and now she's truly in the soup; kidnapped and helpless in a London brothel! The traditional Regency classic from New York Times bestseller Loretta Chase is back...At the advanced age of 26, the independent, wealthy and imminently practical Isabella Latham has no expectation of marriage. But, good-hearted and dutiful, Isabella accompanies her two young country cousins to oversee their London debut...only to find that it's she who is attracting suitors...all of whom do seem to have quite an excess of creditors! There's the sinfully sexy Basil Trevelyan, a rake through and through, but so charming that even sensible Isabella is almost tempted. But then there's his maddeningly handsome--and maddeningly arrogant!--cousin, Edward Trevelyan, seventh Earl of Hartleigh, who has no need of Isabella's dowry; but whose adorable orphaned ward needs a mama. Could he love Isabella for herself? Isabella is too busy trying to decide whether to kiss him--or kill him! Poor, poor Isabella. What's a girl to do? But more importantly...who's a girl to choose?

The land of Saagaradatthi is a strange and idyllic place. Hidden away like a jewel in the Indian Ocean, it was famed for being only an abode of snakes and sandalwood trees till humans came to inhabit it. The country followed a system of monarchy which allowed the women of the royal family to rule, but on a condition - no princess of the land could be viewed by the people till either her coronation or her marriage; whichever came first. Neither could the princess see the land or her people that she was to rule till the conditions were met. This tradition went on for centuries till the day Princess Kairavi ran away... For a group of people who were unfazed by no technology, tsunamis and snake poison, the princess running away was catastrophic. No one however, was more affected than Dhruva Kayath, a member of the Cabinet and a royal hopeful. His dreams of becoming the King of Saagaradatthi vanished with the princess. From plotting to change the constitution, to finding unlikely allies in a country opposed to change, Dhruva tried everything. But a sudden encounter with a beautiful commoner sets him on an adventure that alters not just his destiny but also the destiny of Saagaradatthi.
