Its interesting that the story line and background for this story, although modern for Afghanistan, brings the reader back to pre-modern Europe.

A mix of reality and possibility, this fast-paced thriller will appeal to fans of Stephanie Meyer and Dan Brown as it leads the reader on a breathless flight through the highlands of Scotland, the secret city under London, and history itself. It confirms that her parents were employed by a secret, international organization that ' s now intent on recruiting her. Maren must decide if she ' ll continue her parents ' fight or stay behind to save her friends. With the help of Gavin, an otherworldly mercenary she ' s not supposed to fall in love with, and Graham, a charming aristocrat who is entranced with her, Maren races against the clock and around the country from palatial estates with twisted labyrinths to famous cathedrals with booby-trapped subterranean crypts to stay ahead of the enemy and find a cure. Along the way, she discovers the great truth of love: that laying down your life for another isn ' t as hard as watching them sacrifice everything for you.

Looking to reconnect with their ancestral home and with one another, three generations of women tour mainland China on a journey that will change their family forever. A stunning debut, A Thread of Sky is the story of a family of women and the powerful thread that binds their lives. In following the paths chosen by six fiercely independent women, A Thread of Sky explores the terrain we must travel to recognize the strength and vulnerability of those closest to us. When her husband of thirty years is killed in a devastating accident, Irene Shen and her three daughters are set adrift. Nora, the eldest, retreats into her high-powered New York job and a troubled relationship. Kay, the headstrong middle child, escapes to China to learn the language and heritage of her parents. Sophie, the sensitive and artistic youngest, is trapped at home until college, increasingly estranged from her family-and herself. Terrified of being left alone with her grief, Irene plans a tour of mainland China's must sees, reuniting three generations of women-her three daughters, her distant poet sister, and her formidable eighty-year-old mother-in-a desperate attempt to heal her fractured family. If only it was so easy. Each woman arrives bearing secrets big and small, and as they travel-visiting untouched sections of the Great Wall and the seedy bars of Shanghai, the beautiful ancient temples and cold, modern shopping emporiums-they begin to wonder if they will ever find the China they seek, the one their family fled long ago. Over days and miles they slowly find their way toward a new understanding of themselves, of one another, and of the vast complexity of their homeland, only to have their new bonds tested as never before when the darkest, most carefully guarded secret of all tumbles to the surface and threatens to tear their family apart forever. A Thread of Sky is a beautifully written and deeply haunting story about love and sacrifice, history and memory, sisterhood and motherhood, and the connections that endure.
