Little Dragon wreaks adorable havoc in this energetic picture book from the creator of *Except If*. With a PHOOSH and a Grrrrrr and a CANNONBAAAALLLLLLL! Little Dragon tears through his day (and the house). But even when he gets a little too rambunctious, there's no OH NO! that Mama's kiss can't fix. Jim Averbeck celebrates both the tremendous energy of a little boy and the tenderness shared between mother and child in this vibrant picture book that begs to be read aloud.

This enhanced eBook features read-along narration. On a beautiful day at the beach, a young boy brings his bucket, shovel, and imagination, and builds a perfect sand castle. Right away, a dragon moves in. The boy decides to befriend his dragon and they spend time roaming the shore, flying a kite, braving the waves, defying bullies, and roasting marshmallows--all while Dad is busy sunbathing and Mom is engrossed in her book. Unfortunately, no one believes the boy when he tries to share the news of this magnificent creature. That's when the mischief begins, and the dragon becomes a force to be reckoned with. While adults will recognize the naughty antics as a ploy for attention, children will dissolve into giggles as the dragon devours every last sandwich, blows bubbles in the lemonade, and leaves claw prints in the brownies. Maybe the dragon really is running amok on the beach, or maybe it's a little boy's imagination that is running wild.

We all know that "there was an old lady" who swallowed lots of things. Now meet the old dragon who swallows pretty much an entire kingdom! Will he ever learn a little moderation?! This rollicking rhyme is full to bursting with sight gags, silly characters, and plenty of burps! Parents and kids alike will delight in Ben Mantle's precisely funny illustrations and in Penny Parker Klostermann's wacky rhymes. "Klostermann's debut is a rollicking and warped Medieval take on the well-worn cumulative rhyme. Prolific British animator and illustrator Mantle's expressive and bright cartoon illustrations of the red, horned dragon (and the contents of his stomach) are a perfect match. . . . No matter how many swallowed-fly titles you own, this one belongs on your shelf too." - Kirkus

Have you ever thought about bringing your dragon to the library? Don't do it! You might have the best intentions, but that dragon will cause nothing but trouble.
