The book has been designed topic and subtopic-wise, keeping the students’ needs in mind. The current edition has certain unique features: Each chapter starts with a To Do list. It gives the central idea of the chapter and the way it has been addressed. Each chapter is divided into several sections corresponding to different components of the syllabus. Each chapter is splashed with HOTS. This is to promote clarity of the basics. Focus Zones in each chapter present a crux of the concepts. Blocks in each chapter include matter of special significance. Power Points and Revision Window offer a quick glance of the subject matter. ‘Exercise’ is tuned to the pattern of examination. Answers to important questions focus on the technique of writing. The exercise includes: objective type questions (remembering & understanding based questions), divided into five sections: (a) multiple choice questions, (b) fill in the blanks, (c) true or false, (d) matching the correct statements, (e) ‘very short answer’ objective type questions reason-based questions HOTS & applications analysis & evaluation CBSE questions (with answers or reference to the text for answers) NCERT questions (with hints to answers) miscellaneous and add-on questions (with hints or reference to the text for answers) Dos and Don’ts (at the end of each chapter) should serve as a safeguard against misinterpretation of the concepts. Ability Zone is a uniquely designed section at the end of the chapter. This raises the difficulty level, of course, but should serve as a useful material for the outstanding learners. Solved & Unsolved numericals are given to boost a grip on the subject.

VK Global Publications Pvt. Ltd. is a household name now. Established in 1979, with more than three decades of leadership in the area of Economics and Commerce, we take pride in claiming that we continue with the unstirred readership in the country. Specialising in the area of Economics and Commerce, we are not averse to the idea of diversification. Keeping this in view, more than a decade ago, a series of 'Xam idea' was launched in all the subjects for classes IX -X However, success of our publication is admittedly due to prudent prolific writers. We have resource-pool of reputed authors, who leave no stone unturned in bringing out the best of study material, which makes our readers versatile in their thought processes and equips them with the exam-oriented acumen. Thousands of acknowledgments and accolades that we receive every year from our readers are a good testimony to the genuine efforts and trustworthy endeavours of our authors.

The book has been designed topic and subtopic-wise, keeping the students' needs in mind. The current edition has certain unique features: This book is strictly as per the latest CBSE syllabus and covers complete matter as per the NCERT book. After every topic, objective type questions and case studies are given based on the latest CBSE Sample Paper (2020). (Hints of their answers are given at the end of each chapter.) At the end of each chapter, 40 objective type questions (20 MCQs + 10 Fill in the blanks + 10 True/False) are given along with answers at the end. Keywords of each topic are given at the end of each topic, to help students to solve case studies. A flow chart of each chapter is given at the end to recap the topics covered in that chapter. Quick revision is given to revise all the topics in short time. At the end of each chapter, questions asked in last 7 years' board exam are given, so that the student may get an idea of what types of questions are expected from this chapter. (Hints of answers of these questions are also given). Case Studies are framed by using words strictly from the NCERT. A solved sample paper of CBSE 2020 is also given. Guidelines for project are also given. A sample project on Marketing Management is also given. The Subject Matter is presented in simple language, in points, and along with diagrams, so that the student may find it easy to understand.

For B.Com., BCA, BBA, MBA and as per the UGC Model Curriculum.

Owing to my long teaching experience and personal association with the students and teachers of Economics and keeping in mind their needs and requirements, the author has written this book with the motto to enable the students to understand the principles and theories of economics and to learn their applications in real life. Special features of the textbook are : • Each chapter is divided into several sections covering all components of the syllabus. • It has logical and systematic presentation. • It incorporates a large number of diagrams and schedules with explanations. • To give students an edge over the basic knowledge of the matter, 'An Extra Mile' has been given at the end of each chapter. • Exercise is tuned to the pattern of examination. The exercise includes: • Questions relating to remembering & understanding of the subject matter. • Reason based questions. • Previous years' CBSE questions. • Information and concept based questions. • NCERT questions
