Tumult In The Clouds is a record of the same period in
history as seen from an American perspective, through the
canopy of the P-47 and the Mustang, rather than the
Hurricane and Spitfire. My early impression of the book was
that it must have been edited by a gorilla with a meat
cleaver, as opposed to more traditional methods, such were
the rapid jumps in location in the first couple of chapters.

This is a fabulous book by a remarkable human being.
Urbane, fluent in several languages, athletic, heroic,
Goodson could have been right out of Central Casting, and
his story straight from the tabloids.

began on Sept 3rd 1939, when the SS Athenia was torpedoed and sank off the Hebrides. Surviving the sinking and distinguishing himself rescuing survivors, Goodson immediately signed on with the RAF. He was an American, but he wanted to fight. Goodson flew Spitfires for the RAF before later joining his countrymen with the Fourth Fighter Group to get behind the controls of Thunderbolts and Mustangs where he became known as 'King of the Strafers'. Chock full of breathtaking descriptions of aerial dogfights as well as the stories of others of the heroic 'few', Tumult in the Clouds is the ultimate story of War in the air, told by the one of the Second World War's outstanding fighter pilots. Praise for Tumult in the Clouds: 'A classic . . . Tumult in the Clouds will continue to be read for many many years to come. It is an inspiring book' Len Deighton 'An utterly compelling and intensely personal account of war in all its horror and excitement. A thrilling adventure story and an enthralling, compassionate witness to incredible heroism. I was gripped' John Nichol

A gripping, first-hand account of the heroic American volunteers who flew for the RAF against the greatest German fighter aces of World War II. "By turns compelling, amusing, and nostalgic, this is one war story well worth reading . . . written with rare talent".--Air Force.

In a compelling memoir of World War II, the author recounts his adventures as a fighter pilot with the RAF Eagle Squadron and USAF Fourth Fighter Group, a prisoner of war, and a survivor of a torpedoed ocean liner. Reprint.

Canonical Old Testament books. It is both accessible and completely up to date with modern scholarship. Edited with introductions and brief bibliographies, it is suitable for general readers as well as for students.

When the SS Athenia was torpedoed during the first hours of World War II, James Goodson survived the sinking and went on to become one of the war's leading fighter aces. Goodson flew Spitfires for an RAF Eagle Squadron before later converting to Thunderbolts and Mustangs with the Fourth Fighter Group, earning the reputation 'King of the Strafers'. Breathtaking descriptions of the aerial dog-fights, and vivid portraits of the men that fought, combine in this dramatic, gripping story of courage and sacrifice.
