Welcome to the Beginning Ukulele Fingerstyle Songbook for ukulele. This is a perfect songbook for the beginning ukulele player interested in exploring the world of finger style ukulele. I'm excited that you are here, and I cannot wait to for you to get started with playing fingerstyle ukulele. A complete video companion course with step-by-step videos and backing tracks is available by Uke Like The Pros (purchased separately). The goal of the Beginning Ukulele Fingerstyle Songbook is to introduce fingerstyle ukulele playing, and to teach you the finger picking techniques and styles needed for you to move on and play more advanced finger style pieces. I'm not going to go through various pop songs and show you how to play them, but rather give you the tools and techniques needed to learn on your own to fingerpick any song you want. The Beginning Ukulele Fingerstyle Songbook works well for the beginning fingerstyle ukulele player or the player who is ready to break out of just strumming songs and is ready to challenge themselves and boost their skill level. This book will also serve as a great warmup for my follow-up book, Ukulele Fingerstyle Mastery, which is also available here on Amazon in both print and Kindle versions. The Beginning Ukulele Fingerstyle Songbook is a curriculum based, step-by-step book, where each lesson builds your skills one technique at a time. My personal goal is to give you the skills you need to then tackle the pieces in my Ukulele Fingerstyle Mastery book. Because the ukulele is such a great worldwide community-based instrument, I want you to track your progress on the Uke Like The Pros Forum. Here is what to expect: You will become proficient in 7 of the most commonly used fingerstyle patterns used in ukulele playing. With each fingerstyle pattern, I will introduce 2 separate lessons. The first lesson will be a warm-up exercise where I introduce the finger style pattern and then have you practice it over a very simple 2-chord progression. This way you can focus on learning and memorizing the finger style pattern and not have to worry about switching chords, YET. The second lesson of each finger style pattern will be an original song I wrote just for you, not only to continue to master the finger style pattern, but to have you apply that pattern to different chords so you actually play a song that sounds cool and will make people turn their heads when you are playing it. I will also intermesh the book with different tips and concepts related to finger style ukulele, such as the rest stroke vs. the free stroke. I wrote the Beginning Ukulele Fingerstyle book on High "G" ukulele, but you can use any soprano, concert, or tenor ukulele with either high "G" or low "G". This is what I need from you. Make the decision right now that you will stay committed every day until you get through every piece in this book. That means you will set aside some time, even if it's just 15 minutes a day, to practice these exercises and songs. You will only improve and get better with the daily discipline. I realize life it busy with work, families, emergencies, and other unexpected things, but decide right now that no matter what, even if you must get up early or go to bed last, that you will practice. I promise the rewards without outweigh any pain or difficulties you might have to practicing and growing. I'm really excited for you to become a great ukulele finger picker with the Beginning Ukulele Fingerstyle Songbook. Check out Uke Like The Pros for all your ukulele needs. Ready? Let's Go!

Finally! A chord book written for the young beginner (or even beginners of any age) showing a creative and simple way to learn and play ukulele chords. Chords are taught beginning with the most essential to more advanced. Chords are presented with exercises that build upon each other and eventually lead the student to playing logical and common chord progressions. Chords are shown in chord diagram form with photographs showing finger positions in relationship to the fretboard. Examples and exercises are presented in strum bar notation. *

(Fretted). Get your kids involved and excited about music with this fun Kev's Learn & Play Kid's Activity Book. It's the perfect introduction to the ukulele you'll learn about the ukulele and how to play it through a series of fun projects including songs, coloring, note reading, puzzles, crosswords, a word search, chords and more.

In this beautifully illustrated book, a master luthier and a painter tell their story of the creation of a musical instrument. The Uke Book Illustrated clearly explains every step of the process through concise notes and informative drawings in the format of a graphic novel. This artistically conceived and executed book reveals the practical aspects of an ancient trade, showing of the preparation and selection of materials, assembly and construction, the tools and jigs, and how to approach the work. Anyone who wants to use this book as a guide or manual will be able to proceed chapter by chapter and drawing by drawing during the realization of his or her own instrument. Anyone wanting to gain insight into how a musical instrument is made will appreciate the clear and informative line drawings and the beautiful watercolor illustrations that fill every page. In the end, this book is not just for crafters and woodworkers, but for musicians, artists, and anyone who enjoy a good story and are fascinated by the process of creating something with one 's own hands.

Based on his best-selling Uken Play Ukulele, Mike Jackson has now designed a program for young children to learn to play the ukulele with just a little help from an older person. With only 3 simple chords to master, 25 fun songs can be played in no time at all! The play-a-long CD helps give the child confidence while they learn the song, feel the beat and refine their playing technique. A self-taught musician who plays 16 different instruments including ukulele, Mike Jackson is perhaps best know in Australia for his hit version of Bananas in Pyjamas. Mike has sold over 250,000 albums, published many songs and dance resources and has performed extensively across Australia and internationally. Mikes inspirational concerts and workshops attest to his belief that learning to play music is an attainable goal for everyone and that its never, ever, too late or too early to begin!

This book and accompanying audio offer a unique look into playing the music of Bach on the ukulele. Included are twenty duets for two ukuleles or ukulele and guitar. The first part in the duet can be played on either soprano, concert or tenor ukulele, and the second part on either baritone ukulele or guitar. This collection contains beautiful arrangements of many of Bach's most popular pieces. Some of the arrangements are simple, some complex, but most are of intermediate difficulty. The accompanying online audio contains breathtakingly beautifulperformances by ukulele maestro, Rob MacKillop, and historical guitar specialist, Gordon Ferries, making it wonderful in its own right. Included are pieces such as Sheep May Safely Graze, Minuet in G, Sleepers Awake, Jesu, Joy of Man's Desiring, and many other classic tunes
