Intensely honest and deeply inspirational, Unbreak My Heart is the never-before-told story of the measures Braxton took to make herself and her family whole again. Customers Who Bought This Item Also Bought I Am Charlie Wilson

In this heartfelt memoir, six-time Grammy Award-winning artist and star of WE TV's reality hit Braxton Family Values, Toni Braxton writes about her personal life decisions and their impact on her health, family and career. While Braxton appears to be living a gilded life—selling 60 million records, appearing in sold-out Las Vegas performances and hit shows like Dancing with the Stars, and starring in her own reality series—hers is in fact a tumultuous story, a tale of triumph over a life filled with obstacles, including two bankruptcy filings. The mother of an autistic child, Braxton long feared that her son's condition might be karmic retribution for earlier life choices, some of which will shock fans. But when heart ailments began plaguing her at the age of 41 and she was diagnosed with Lupus, Braxton knew she had to move beyond the self-recrimination and take charge of her own healing. Intensely honest and deeply inspirational, Unbreak My Heart is the never-before-told story of the measures Braxton took to make herself and her family whole again.

A "heartbreaking, heartwarming" (Heidi McLaughlin, New York Times bestselling author) love story that asks the question: what do you do when your soul mate marries your best friend? If you're Kate Evans, you keep your friend Rachel, bond with her kids, and bury your feelings for her husband. The fact that Shane's in the military and away for long periods helps—but when tragedy strikes, everything changes. After Rachel, pregnant with her fourth child, dies in a car accident and the baby miraculously survives, Kate upends her entire life to share parenting duties. Then on the first anniversary of Rachel's death, Kate and Shane take comfort in each other in a night that they both soon regret. Shane's been angry for a year, and now he feels guilty too - for sleeping with his wife's best friend and liking it . . . liking her. Kate's ability to read him like a book may have once sent Shane running, but their lives are forever entwined and they are growing closer. Now with Shane deployed for seven months, Kate is on her own and struggling with being a single parent. Shane is loving and supportive from thousands of miles away, but his homecoming brings a betrayal Kate never saw coming. So Kate's only choice is to fight for the future she deserves - with or without Shane. . .

A candid memoir of fame, strength, family, and friendship from the lead singer of TLC As the lead singer of Grammy-winning supergroup TLC, Tionne "T-Boz" Watkins has seen phenomenal fame, success, and critical acclaim. But backstage, she has lived a dual life. In addition to the balancing act of juggling an all-consuming music career and her family, Tionne has struggled since she was a young girl with sickle-cell disease—a debilitating and incurable condition that can render her unable to perform, walk, or even breathe. A Sick Life chronicles Tionne's journey from a sickly young girl from Des Moines who was told she wouldn't live to see 30 through her teen years in Atlanta, how she broke into the music scene, and became the superstar musician and sickle-cell disease advocate she is today. Through Tionne's tough, funny, tell-it-like-it-is voice, she shares how she found the inner strength, grit, and determination to live her dream, despite her often unpredictable and debilitating health issues. She dives deep into

never-before-told TLC stories, including accounts of her friendship with Lisa "Left-Eye" Lopes and her tragic death. Tionne's unvarnished discussion of her remarkable life, disease, unending strength, and ability to power through the odds offers a story like no other.

JT's quest for meaning leads him to Brett's ranch--and into Brett's booze-fueled solitude and grief over his lost lover. Will JT ever be allowed far enough into Brett's world to unbreak his heart?

ONE BOY'S WISH. ONE EXTRAORDINARY LOVE STORY 'Gorgeously written, devastatingly affecting and utterly life-affirming' Miranda Dickinson Seven-year-old Jake's heart is failing and he doesn't want to leave his dad, Simon, alone. So he makes a decision: to find Simon someone to love before he goes. Beth is determined to forget the past. But even when she leaves New York to start afresh in a Lake District village, she can't shake the secrets that haunt her. Single dad Simon still holds a candle for the woman who left him years ago. Every day is a struggle to earn a living while caring for his beloved son. He has no time for finding someone new. But Jake is determined his plan will succeed - and what unfolds will change all three of them forever. 'A touching love story' Kate Eberlen 'A beautiful story that reminds us of the power and importance of love' Isabelle Broom

Read the final installment of bestselling author Clare Connelly's scandalous The Notorious Harts miniseries, where there's no such thing as a fairy tale. Especially one this wicked... When it comes to sex, I prefer the Cinderella approach--appear like magic, get the guy and disappear by midnight. I don't know why Barrett Byron-Moore is here in San Francisco, but before midnight, I'm going to have my wicked way with him. Happy birthday to me. Well, Barrett isn't just some random guy. He's been sent by the notorious Harts, billionaires who are outrageously, ridiculously, can't-even-imagine-it rich. Because it turns out I am a Hart half sister, and Barrett is trying to reconnect me with my family. I've been on my own since my mom died, and I don't do "warm and gooey." Alone is all I know. Barrett is confusing all my trusted instincts. And the more time we spend together--touching, tasting, wanting--the deeper I'm sinking. Not just because I don't do this, but because he's with the Harts. Because he's their spy, and even the best sex can't erase that. Forget glass slippers, hearts can be as fragile as fine crystal. They shatter. And for this Cinderella, there's no such thing as a happy ending... Take control. Feel the rush. Explore your fantasies--Harlequin DARE publishes sexy romances featuring powerful alpha males and bold, fearless heroines exploring their deepest fantasies.

It's been over ten years since Big was killed. I grieved for him for a very long time. And then, as time passed, the icy wall of grief surrounding my heart began to thaw and I began to heal. I remarried, had more children, and continued to record and release more music. I continued to live my life. And while I can never discount the time I spent with Big, I've never felt the need to live in the past. But sometimes, I still find myself thinking about Big being rushed the hospital, and I break down in tears. It's not just because we hung up on each other during what would be our last telephone conversation. And it's not because I am raising our son, a young man who has never known his father. It's partly all of those things. But mainly it's because he wasn't ready to go. His debut album was called Ready to Die. But in the end, he wasn't. Big never got a chance to tell his story. It's been left to others to tell it for him. In making the decision to tell my own story, it means that I've become one of those who can give insight to who Big really was. But I can only speak on what he meant to me. Yet I also want people to understand that although he was a large part of my life, my story doesn't actually begin or end with Big's death. My journey has been complicated on many levels. And since I am always linked to Big, there are a lot of misconceptions about who I really am. I hope that in reading my words, there is inspiration to be found. Perhaps you can duplicate my success or achieve where I have failed. Maybe you can skip over the mistakes I've made. Use my life as an example--of what to do and in some cases, what not to do. It's not easy putting your life out there for the masses. But I've decided I'll tell my own story. For Big. For my children. And for myself.

The story behind Telemundo's Jenni Rivera: Mariposa del Barrio series, now streaming. A New York Times bestseller, this is the official biography from the beloved Mexican-American singer who lost her life in a tragic plane crash. The only autobiography authorized by Jenni Rivera "I can't get caught up in the negative because that destroys you. Perhaps trying to move away from my problems and focus on the positive is the best I can do. I am a woman like any other, and ugly things happen to me like any other woman. The number of times I have fallen down is the number of times I have gotten up." These are the last words that beloved Mexican American singer Jenni Rivera spoke publicly before boarding the plane that would crash and cut her life short on December 9, 2012. However, they are not the final words that La Diva de la Banda had for the world. Those are found in the pages you hold in your hands, Jenni's own account of the highs and lows of her extraordinary journey. She became the most acclaimed Spanish-language singer in the United States and sold more than 15 million records worldwide. A single mother of five and grandmother of two, she was also an actress, a television producer, the star of her own reality show, and an entrepreneur. But for all its immense success, Jenni's life often seemed to be a series of personal battles in which perseverance was her only weapon. As her fame grew, she made it her mission to speak about her struggles, forging an intimate connection with her fans. She became a figure of strength and a source of encouragement to women of all ages. In Unbreakable, Jenni recounts the crucial moments in her past, revealing her experiences with domestic and sexual abuse, divorce, body image issues, making her way in a male-dominated industry, raising her children as a single mother, and learning that she could depend only on herself. Though she is no longer with us, Jenni will always be the "Rivera rebel from Long Beach," the girl who maintained her sense of humor and fighting spirit in every circumstance. In this remarkable memoir, Jenni leaves behind a legacy of inspiration and determination that will forever live on through her precious family, friends, and fans.

An intimate, revealing look at one artist's journey from self-censorship to full expression As one of the most celebrated musicians in the world, Alicia Keys has enraptured the globe with her heartfelt lyrics, extraordinary vocal range, and soul-stirring piano compositions. Yet away from the spotlight, Alicia has grappled with private heartache—over the challenging and complex relationship with her father, the people-pleasing nature that characterized her early career, the loss of privacy surrounding her romantic relationships, and the oppressive expectations of female perfection. Since Alicia rose to fame, her public persona has belied a deep personal truth: she has spent years not fully recognizing or honoring her own worth. After withholding parts of herself for so long, she is at last exploring the questions that live at the heart of her story: Who am I, really? And once I discover that truth, how can I become brave enough to embrace it? *More Myself* is part autobiography, part narrative documentary. Alicia's journey is revealed not only through her own candid recounting, but also through vivid recollections from those who have walked alongside her. The result is a 360-degree perspective on Alicia's path, from her girlhood in Hell's Kitchen and Harlem to the process of growth and self-discovery that we all must navigate. In *More Myself*, Alicia shares her quest for truth—about herself, her past, and her shift from sacrificing her spirit to celebrating her worth. With the raw honesty that epitomizes Alicia's artistry, *More Myself* is at once a riveting account and a clarion call to readers: to define themselves in a world that rarely encourages a true and unique identity.
