Holly Bourne, an English bestselling author, pens an incredibly funny, enlightening yet powerful young adult novel, What's a Girl Gotta Do? which is the third book in the The Spinster Clubseries.

What's a Girl Gotta Do? (The Spinster Club, #3) by Holly...
What's a Girl Gotta Do? is an emotional read - Lottie is such a vibrant character full of all the emotions and passion and drive. We've got themes of friendship and love and achieving your dreams and philosophical and moral problems. My one complaint is that the ending didn't really wrap everything up for me enough - I wanted more!

Basement Jaxx - What's A Girl Gotta Do Lyrics | MetroLyrics
In "What's A Girl Gotta Do?", we get that wonderful mix of a fun, heartfelt story with a serious message to it!It's a book that I have no doubt would resonate with pretty much any girl in the world. The beauty of Lottie's plan to call out every instance of sexism and the beauty of how it comes across to the reader, and how draining it becomes for her, is that it very effectively ...

There's a lot a girl's gotta do to get to school and through school. And there's a lot that can be done to help, too. Creating programs that support girls in all fields of study and finding ways to get girls and women to complete school are steps toward ending gender inequality and extreme poverty.

What's a girl gotta do to get to school?
Directed by Joseph Kahn. With Priyanka Chopra, Teresa Crawford, The Jonas Brothers, Danielle Jonas. Official page for "What A Man Gotta Do" by The Jonas Brothers.

Lottie is starting a supersonic feminist experiment. For one month she's going to call out every instance of sexism she sees. But when her project hits the headlines, the trolls come out to play - and they are VICIOUS. Lottie's not a quitter, but best friends Evie and Amber are worried. What if Lottie's heading for burnout...or worse?

Lottie is starting a supersonic feminist experiment. For one month she's going to call out every instance of sexism she sees. But when her project hits the headlines, the trolls come out to play and they are VICIOUS. Lottie's not a quitter, but best friends Evie and Amber are worried. What if Lottie's heading for burnout...or worse?

Arthur Ellis Award Winner: The [flat-out funny] first mystery in the series featuring a newly single reporter trying to clear herself of murder (Publishers Weekly). Meet Robin Hudson. Dumped by her husband, she's been demoted to third-string reporter at New York's All News Network. Her downstairs neighbor thinks she's a hooker. Louise Bryant, her finicky cat, refuses to chow down on anything but stir-fry. Now Robin's being blackmailed by a late-night caller who knows her childhood nickname and other personal stuff, like whom she gave her virginity to. What could be worse? Being the prime suspect in the bludgeoning death of her mystery caller?that's what. In life, he was a PI who had the skinny on everyone. Now, while Robin is undercover investigating a suspicious sperm bank, she must also find the killer and clear her name. In her downtime, she's amusing herself with her hot new boy toy, who may not be Mr. Right but could be Mr. Close Enough. When someone else is murdered, Robin races to break the story before she makes headlines again/as the next victim. The Robin Hudson Mystery series is a winner of the Sherlock Award for Best Comic Detective. What's a Girl Gotta Do? is the 1st book in the Robin Hudson Mysteries, but you may enjoy reading the series in any order.

A guide for women on how to protect oneself from violence offers information on keeping safe in a wide variety of situations and includes advice on self-defense products, Internet safety, and workplace violence.

All Amber wants is a little bit of love. Her mum has never been the caring type, even before she moved to California, got remarried and had a personality transplant. But Amber's hoping that spending the summer with her can change all that. And then there's Kyle, the most American person Amber's ever met. She can't help liking him. But can he really be interested in her? Even with best friends Evie and Lottie's advice, Amber's finding love is hard. Is it worth the fight? I'm a big Holly Bourne fan and this is my favourite yet. She writes with such humour and great honesty, with wonderfully relatable characters. It's also refreshing to see feminism highlighted in such a positive and relevant way for teenagers. - Fiona Noble, The Bookseller Bourne talks about feminism so openly and truthfully in her books and if you ever doubted the intelligence, ability or passion of teenage girls read her books and you never will again. - Muchbooks reader review on Guardian Children's Books Written with humour and warmth, Amber's story perfectly captures the emotional rollercoaster that is love: embracing all its joy and pain, whether it be for family, friends or a gorgeous boy. A really satisfying page turner. - BookTrust Emotive and thought provoking this searingly honest book deals with the biggest life lesson of all - nobody's perfect. - South Wales Daily Post Holly Bourne truly is the Queen of YA! - Humaira Kauser, age 17, for LoveReading4Kids Holly Bourne is hugely popular with the young adult audience. The second instalment in her Normal series tells Amber's story of first love, friendship and addiction. - The Sunday Express Holly Bourne's new novel demonstrates that with the right female friends, and a decent supply of cheesy snacks, a girl can get through anything... Well-written and thoughtful, this has a thoroughly authentic twenty-first century teen voice and lightens serious issues with humour. - LoveReading4Kids When I received this book I let out a squeal... I really love this series. - Lucy the Reader "Hysterical" - Maelixa The story is equal parts hilarious and heart-wrenching... I cannot get over how many times I snorted out loud whilst reading this book. You'll have to read it to see for yourself! - Fable & Table [Holly Bourne's] writing style keeps me hooked, makes me feel things and genuinely makes me think hard about important issues. I cannot recommend her novels highly enough and I am on a mission to read them all! - Adventures of a Teenage Bookworm

Evie, Amber and Lottie: three girls facing down tough issues with the combined powers of friendship, feminism and cheesy snacks. Both hilarious and heart-rending, this is Evie's no-holds-barred story of struggling to live a [normal] teen life in the grip of OCD, from the acclaimed author of The Manifesto on How to be Interesting. Read the first chapter of Holly Bourne's next book, How Hard Can Love Be? EXCLUSIVE to the ebook. "An involving look at feminism, friendship and the secrets we hide even from those who know us best." - The Observer An epic and unique release this summer that I plead you all to pick up! This novel has a distinct British feel with moments mixed with laughter, tainted with tears and bound with love. Holly Bourne has created a beautiful tale." - Paper Trail YA "This is not a novel about a condition: Evie's condition is that of being a contemporary young woman, and through her guerrilla feminist group with new soulmates Lottie and Amber (who will each get a novel to themselves shortly) she learns new pathways through life that all her peers can follow." - The Observer This is quite easily Bourne's best novel yet. Might have been a tricky subject matter, but it was funny and heart-breaking and thought-provoking. - An Awful Lot of Reading I love the Spinster Club, and I so want my own! What I love is how Bourne breaks down these ideas so they are so accessible! ... There are a few feminist YA stories out at the moment, but this is the first I've read that actually talks about feminism and discusses how to be a feminist, and I think it really could be a game changer! And I am so happy! I am so, so happy and excited! - Once Upon a Bookcase This book was kind of astounding to me... I got through Am I Normal Yet? in one sitting! - A Novel Youth "It's not a book that I can find fault with because it was just written so perfectly and so carefully and sensitively. I just enjoyed it so much." - Lucy the Reader Holly Bourne is becoming something of a writing sensation in the world of Young Adult fiction... Using humour, high emotion, compassion, sensitivity and some hard-hitting drama, Bourne creates a beautiful, resonant story that tackles serious issues with the lightest and sometimes darkest of touches, giving real and moving insights into what it means to be young, confused and isolated. - Lancashire Evening Post "My favourite YA book of 2015" - Words from a Reader

#1 NEW YORK TIMES BESTSELLER | OVER 3 MILLION COPIES SOLD Do you ever suspect that everyone else has life figured out and you don't have a clue? If so, Rachel Hollis has something to tell you: that's a lie. If you have ever said any of these things to yourself . . . Something else will make me happy. I'm not a good mom. I will never get past this. I am defined by my weight. I should be further along by now. . . . then you could benefit from the unflinching faith and rock-hard tenacity Rachel Hollis has in store for you. In this challenging but conversational book, Rachel exposes the twenty lies and misconceptions that too often hold us back from living joyfully and productively, lies we've told ourselves so often we don't even hear them anymore. Rachel is real and talks about real issues. More than that, she reveals the specific practical strategies that helped her move past them. In the process, she encourages, entertains, and even kicks a little butt, all to convince you to do whatever it takes to get real and become the joyous, confident woman you were meant to be. Because you really can live with passion and hustle and give yourself grace without giving up.

Left jilted and stranded at the altar, Patricia is puzzled to discover that her fiance left behind a safety deposit box full of money and jewels and becomes even more concerned when she hears reports that he has been seen in her car bleeding from a gunshot wound

Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.

Evie, Amber and Lottie are having a New Year party to remember. For the first time since leaving college, all three girls are back together. It's time for fun and flirting, snogs and shots. Because everything's going great for these girls Spinster Club for ever! Right?
