Roosevelt Who

Franklin Delano Roosevelt was born on January 30, 1882, in the Hudson Valley town of Hyde Park, New York, to businessman James Roosevelt I and his second wife, Sara Ann Delano. Roosevelt's parents, who were sixth cousins, both came from wealthy old New York families, the Roosevelts, the Aspinwalls and the Delanos, respectively. Roosevelt's patrilineal ancestor migrated to New Amsterdam in the ...

workmanlike addition to the literature on Roosevelt.” —David Nasaw, *The New York Times*  
“Dallek offers an FDR relevant to our sharply divided nation”  
—Michael Kazin “Will rank among the standard biographies of its subject” —*Publishers Weekly* A one-volume biography of Roosevelt by the #1 *New York Times* bestselling biographer of JFK, focusing on his career as an incomparable politician, uniter, and deal maker In an era of such great national divisiveness, there could be no more timely biography of one of our greatest presidents than one that focuses on his unparalleled political ability as a uniter and consensus maker. Robert Dallek’s *Franklin D. Roosevelt: A Political Life* takes a

## Get Free Who Was Franklin Roosevelt Who Was

fresh look at the many compelling questions that have attracted all his biographers: how did a man who came from so privileged a background become the greatest presidential champion of the country's needy? How did someone who never won recognition for his intellect foster revolutionary changes in the country's economic and social institutions? How did Roosevelt work such a profound change in the country's foreign relations? For FDR, politics was a far more interesting and fulfilling pursuit than the management of family fortunes or the indulgence of personal pleasure, and by the time he became president, he had commanded the love and affection of millions of people.

## Get Free Who Was Franklin Roosevelt Who Was

While all Roosevelt's biographers agree that the onset of polio at the age of thirty-nine endowed him with a much greater sense of humanity, Dallek sees the affliction as an insufficient explanation for his transformation into a masterful politician who would win an unprecedented four presidential terms, initiate landmark reforms that changed the American industrial system, and transform an isolationist country into an international superpower. Dallek attributes FDR's success to two remarkable political insights. First, unlike any other president, he understood that effectiveness in the American political system depended on building a national consensus and commanding

## Get Free Who Was Franklin Roosevelt Who Was

stable long-term popular support. Second, he made the presidency the central, most influential institution in modern America's political system. In addressing the country's international and domestic problems, Roosevelt recognized the vital importance of remaining closely attentive to the full range of public sentiment around policy-making decisions—perhaps FDR's most enduring lesson in effective leadership.

Franklin Delano Roosevelt stands astride American history like a colossus, having pulled the nation out of the Great Depression and led it to victory in the Second World War. Elected to four terms as president, he transformed an

# Get Free Who Was Franklin Roosevelt Who Was

inward-looking country into the greatest superpower the world had ever known. Only Abraham Lincoln did more to save America from destruction. But FDR is such a large figure that historians tend to take him as part of the landscape, focusing on smaller aspects of his achievements or carping about where he ought to have done things differently. Few have tried to assess the totality of FDR's life and career. Conrad Black rises to the challenge. In this magisterial biography, Black makes the case that FDR was the most important person of the twentieth century, transforming his nation and the world through his unparalleled skill as a domestic politician, war leader, strategist, and global

## Get Free Who Was Franklin Roosevelt Who Was

visionary--all of which he accomplished despite a physical infirmity that could easily have ended his public life at age thirty-nine. Black also takes on the great critics of FDR, especially those who accuse him of betraying the West at Yalta. Black opens a new chapter in our understanding of this great man, whose example is even more inspiring as a new generation embarks on its own rendezvous with destiny.

Presents an intimate and insightful account of Roosevelt's final months of life, when, despite a dire medical prognosis, he was determined to be re-elected, deal with Stalin, and bring the war to a successful conclusion.

State of the Union Addresses by  
Franklin D. Roosevelt

Having guided the nation through the worst economic crisis in its history, Franklin Delano Roosevelt by 1939 was turning his attention to a world on the brink of war. The second part of Roger Daniels's biography focuses on FDR's growing mastery in foreign affairs. Relying on FDR's own words to the American people and eyewitness accounts of the man and his accomplishments, Daniels reveals a chief executive orchestrating an immense

## Get Free Who Was Franklin Roosevelt Who Was

wartime effort. Roosevelt had effective command of military and diplomatic information and unprecedented power over strategic military and diplomatic affairs. He simultaneously created an arsenal of democracy that armed the Allies while inventing the United Nations intended to ensure a lasting postwar peace. FDR achieved these aims while expanding general prosperity, limiting inflation, and continuing liberal reform despite an increasingly conservative and often hostile Congress. Although fate robbed him of the chance to see the victory he had never doubted, events in 1944 assured him that the victory he had done so much to bring about would not be long delayed. A compelling

reconsideration of Roosevelt the president and campaigner, *The War Years, 1939-1945* provides new views and vivid insights about a towering figure--and six years that changed the world.

A biography of Franklin Delano Roosevelt examines his political leadership in a dark time of Depression and war, his championship of the poor, his revolutionary New Deal legislation, and his legacy for the future.

Franklin D. Roosevelt, consensus choice as one of three great presidents, led the American people through the two major crises of modern times. The first volume of an epic two-part

# Get Free Who Was Franklin Roosevelt Who Was

biography, Franklin D. Roosevelt: Road to the New Deal, 1882-1939 presents FDR from a privileged Hyde Park childhood through his leadership in the Great Depression to the ominous buildup to global war. Roger Daniels revisits the sources and closely examines Roosevelt's own words and deeds to create a twenty-first century analysis of how Roosevelt forged the modern presidency. Daniels's close analysis yields new insights into the expansion of Roosevelt's economic views; FDR's steady mastery of the complexities of federal administrative practices and possibilities; the ways the press and presidential handlers treated questions surrounding his health; and his genius for
