The Chilling Adventures of Sabrina meets The Craft when modern witches must save teens stolen by an ancient demon in this YA fantasy-thriller debut. Dan and Liss are witches. The Black Book granted them that power. Harnessing that power feels good, especially when everything in their lives makes them feel powerless. During a spell gone wrong, Liss's boyfriend is snatched away by an evil entity and presumed dead. Dan and Liss's friendship dies that night, too. How can they practice magic after the darkness that they conjured? Months later, Liss discovers that her boyfriend is alive, trapped underground in the grips of an ancient force. She must save him, and she needs Dan and the power of The Black Book to do so. Dan is quickly sucked back into Liss's orbit and pushes away her best friend, Alexa. But

Alexa has some big secrets she's hiding and her own unique magical disaster to deal with. When another teenager disappears, the girls know it's no coincidence. What greedy magic have they awakened? And what does it want with these teens it has stolen? Set in the atmospheric wilds of California's northern coast, Sasha Laurens's thrilling debut novel is about the complications of friendship, how to take back power, and how to embrace the darkness that lives within us all.

What if every story you'd ever heard was true? Jack killed the giants. Red slayed the wolf. Rapunzel fled the tower. But the greatest one of all, had yet to be told. Once upon a time, the magical Kingdom of Avalon was left to wither and die after the Snow Queen encased it in ice. Its former citizens are now refugees. Which is why crown prince Alex and his protectors are stuck in... Arizona. Tala Makiling has lived her life as an outsider. Her family curse, the one that's doomed her to be a spellbreaker, someone who destroys magic, hasn't won her too many friends. Except Alex, who trusts her and her family to keep his royal identity a secret. And then one night, a famous creature of legend, the Firebird, appears in their tiny town, reigniting hope for their abandoned homeland. Alex and Tala team up with a ragtag group of new friends to journey back to Avalon. Their path is filled with danger—from deadly prophecies, to terrifying ice wolves, a traitor among them, and the Snow Queen herself. But if they succeed... their story would be legendary. "A great read for fans of fairy tales, myths and legends... Reluctant witch Eden Riley knows that codependent relationships aren't good, especially when you're possessed by a sexy but troublemaking demon. Darrak's physical form makes good girl Eden want to go bad, but the constant itch to use the soul-destroying black magic she's recently acquired might force Eden to explore her dark side in an entirely different way. And when her magic starts manifesting itself without conscious effort, both Eden's life and the possibility of a future with Darrak are threatened—since only one of them might be able to survive this...

Get Wicked Good Witches Today! It starts with Magic, Blood, and Bone, and ends 14 books later with, Who Wants to Witch Forever? Charlie, Michael, and Melinda are the last three witches alive in their bloodline. A werewolf with an over-the-top big brother complex. An empath who wishes he could stay out of his sibling ' s love lives. And a witch whose job it is to save people she dreams will die, but has a panic attack whenever she has to leave the house... However, when she has a prophetic dream of Michael ' s should-be girlfriend dying, Melinda needs to act fast. But saving their friend means doing one of three things Melinda dreads: Ask her brothers for help. Ask the vampire she ' s crushing on hard, and who ' s off limits, for help. Or worse, do it herself—but this means doing the hardest thing ever—leaving her house and stepping into the hectic, crowded, no-room-to-breathe tourist trap that is The Demon Isle... And to make matters worse, the body of a dead tourist is found and the murder linked to a beloved, but deceased, family member of the Howard Witches. The three siblings and their long-time family friend and mentor, an aged vampire named William, launch a supernatural mission to prove their innocence or guilt. They down their liquid energy—erm, coffee—nature's magic—and follow every clue, down into the very depths of the ocean and into the cave filled with frightful supernatural creatures. They have more caffeinated courage after rescuing a mysterious damsel in distress. Then visit the Wicked Muddy Café for well, more coffee, plus an earful of local gossip. Have a race with a ghost. Reveal a new magical power. Yet more coffee—because, is there ever enough when you ' re trying to solve a murder? And deal with

shadowy world of spilled blood and mysterious saints, where a forbidden romance threatens to tip the scales between dark and light. Wicked Saints is the thrilling start to Emily A. Duncan ' s devastatingly Gothic Something Dark and Holy trilogy. “ This book destroyed me and I adored it. ” - Stephanie Garber, New York Times bestselling author of Caraval This edition uses deckle edges; the uneven paper edge is intentional.

Six witches, six perspectives, one coven. Florence is a mother figure, a carer of the coven. June is a speaker, encouraging those around her to fight. Ottilie is a survivalist, doing whatever she must to ensure her friends live. Adelaide is an inventor, building things to make their lives easier at every turn. Clydia is a trained assassin, protecting her found family at all costs. Drusilla is a dreamer, wanting to live everyday like a princess, like they have already won the battle. In the Delgosi Isles, magic was outlawed for witches years ago, and the girls want nothing more than to use their powers freely. The coven have been practicing in secret, right in the depths of Eastfall woods, and they have a plan. A plan to change the way the world works. All they need to do is convince the current king that they ' re not dangerous. With an invention and a great speech in their grasp, the six girls start their journey to Fairpoint, the capital city in which the royal family resides. If only things were that straightforward, though. Their deadly quest for equality brings a crusade of trickery, corruption and loss. The plan is simple, they just have to fight the royals and win.

25th Anniversary Edition—with an Introduction by the Author! The Owens sisters confront the challenges of life and love in this bewitching novel from the New York Times bestselling author of *The Rules of Magic*, *Magic Lessons*, and *The Book of Magic*. For more than two hundred years, the Owens women have been blamed for everything that has gone wrong in their Massachusetts town. Gillian and Sally have endured that fate as well: as children, the sisters were forever outsiders, taunted, talked about, pointed at. Their elderly aunts almost seemed to encourage the whispers of witchery, with their musty house and their exotic concoctions and their crowd of black cats. But all Gillian and Sally wanted was to escape. One will do so by marrying, the other by running away. But the bonds they share will bring them back—almost as if by magic... “ Splendid...Practical Magic is one of [Hoffman's] best novels, showing on every page her gift for touching ordinary life as if with a wand, to reveal how extraordinary life really is. ” —Newsweek “ [A] delicious fantasy of witchcraft and love in a world where gardens smell of lemon verbena and happy endings are possible. ” —Cosmopolitan

A James Patterson Presents Novel From the #1 New York Times and USA Today bestselling author of the Stalking Jack the Ripper series comes a new blockbuster series... Two sisters. One brutal murder. A quest for vengeance that will unleash Hell itself... And an intoxicating romance.
